

# Are You “Being Led Away with the Error of the Wicked” to the New Age Ark of Oneness?

by Tamara Hartzell

~ February 2008 ~

*“And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many.” (Matthew 24:4-5)*

*“For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.” (2 Corinthians 11:13-15)*

*“Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.” (Jude 1:3-4)*

*“For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock. Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them. Therefore watch, and remember, that by the space of three years I ceased not to warn every one night and day with tears.” (Acts 20:29-31)*

*“Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own steadfastness.” (2 Peter 3:17)*

~~~~~

*“His [Christ’s] coming is largely dependent, as we shall later see, upon the establishing of right human relations. This the church has hindered down the centuries, and has not helped because of its fanatical zeal to make ‘Christians’ of all peoples and not followers of the Christ. It has emphasized theological doctrine, and not love and loving understanding as Christ exemplified it.”<sup>1</sup>*

*“The functioning of the Law of Loving Understanding ... will eventuate later in the development of a worldwide international spirit, in the recognition of one universal faith in God and in humanity also as the major expression of divinity upon the planet.”<sup>2</sup>*

*“It is here that the Church, as usually understood, meets its major challenge. Is it spiritual enough to let go of theology and become truly human? Is it interested enough to widen its horizon and recognize as truly Christian all who demonstrate the Christ spirit, whether they be Hindu, Mohammedan, or Buddhist, whether they are labeled by any name other than that of orthodox Christian?”<sup>3</sup>*

*“Everyone fanatically clinging to an idea isolating him from the universal axiom—“There is no Religion higher than Truth”—will find himself separated like a rotten plank from the new ark called Humanity.”<sup>4</sup>*

## **Preface**

There is a new world emerging that will affect all kindreds, tongues, and nations. This new world stands against the truth, against the Lord Jesus Christ, and against God. Its rise is coming about in the power and authority and deception of the god of this world (angel of light), who will easily lure the spiritually-prepared masses into worshipping him and his Coming One. In fact, the advancing ways

and teachings of this new world and its Emerging One Church are already being planted firmly in the faith and behavior of people today. So successful is this advance that even people in today's Christianity are already being deceived into worshipping the counterfeit "God" and the counterfeit "Christ" of this new world.

Sadly, this isn't as difficult of a task as you might think. A long process of incrementally replacing the Christian faith with relativism in today's Christianity is merely coming to the end. In today's pursuit of world-pleasing cultural correctness and interfaith unity, this process has picked up tremendous speed, which, in turn, is greatly facilitating the rise of the new world. The only defense against the wiles of the devil and his fallen spirit realm is the armor of God, which is the Christian faith, which is being replaced with the relativism of the new world. It is a strengthening spiral of deception.

*"Finally, my brethren, be strong in the Lord, and in the power of his might. **Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.** For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with **truth**, and having on the breastplate of **righteousness**; and your feet shod with the preparation of **the gospel of peace**; above all, taking the shield of **faith**, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of **salvation**, and the sword of the Spirit, which is **the word of God**: praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints." (Ephesians 6:10-18)*

People in Christianity today are falling for the wiles of the devil, including his counterfeit "God" and counterfeit "Christ," because they are neglecting, disregarding, avoiding, rejecting, rebuffing, or outright casting aside and discarding the armor of God. Desiring the new world themselves, they are laying down the sword of the Spirit, which is the Word of God, and waving the white flag of surrender to the advancing interfaith forces of Oneness.

Those who surrender are being spiritually prepared to board the nearly-completed Ark of Oneness that is to take humanity into the new world. This spiritual Ark is being built as a vessel of "peace" and "safety" for all who choose to belong to this new world. Those who are making this choice are replacing God's "outdated" and "irrelevant" armor with stylish culturally-correct clothes hand tailored by the god of this world to be far more comfortable and pleasurable to wear on their spiritual journey to his new world.

- relativism is replacing truth
- worldliness is replacing righteousness
- the New Gospel of peace with the world through Oneness is replacing the original Gospel of peace with God through the Lord Jesus Christ
- the New Spirituality is replacing the true faith that comes from the Word of God
- the unity in diversity of Oneness is replacing the salvation of the Lord Jesus Christ
- unity-seeking dialogue and spiritual experiences are replacing the Word of God

Instead of "stand[ing] against the wiles of the devil," people are standing against the truth of God and the Lord Jesus Christ. Without the full armor of God, people in today's Christianity have become so defenseless against our spiritual enemy that the devil is easily beguiling them into believing that his wiles are the works of God, that his relativism is the truth of God, that his New Gospel is the true Gospel, that his New Spirituality is "authentic faith," that his counterfeit "God" is the true God, and that his counterfeit "Christ" is the true Christ.

Do you know the difference? Are you sure? What is the source of your faith? The source of your faith

is revealed by your attire. Are you wearing the armor of God or clothing designed for the new world?

### **Preparing for the Emerging One Church of the New World: Separating *Christ-follower* from *Christian***

Are you a Christian or a Christ-follower? Believe it or not, there is a world of difference in the New Spirituality that is replacing the Christian faith in today's Christianity. On the surface, *Christ-follower* may seem to be a more accurate term than *Christian* since Christians are followers of Christ. But you can't always judge a book by its cover. When the New Spirituality's transformation to *Christ-follower* has been accomplished, the difference between the two will be as significant as the difference between dark and light, or the broad way and the narrow way. This subtle separating of terms is being implemented in preparation for the Emerging One Church of the new world, for which *Christian* is too narrow and exclusive. *Christian* clearly says that followers of Christ are in the Christian faith (true Christianity), but *Christ-follower* inclusively allows for followers of Christ to be in any religion.

Accordingly, Christians are people of *the* faith, clearly set forth in the Word of God, but Christ-followers will be people of faith—that is, *any* faith or religion. Christians believe that the right doctrine and theology—in other words, the right faith—are essential for salvation, but Christ-followers will believe that doctrine and theology are irrelevant because what you *do* is more important than what you *believe*. Christians believe there is only *one* truth, clearly set forth in God's Word of truth, but Christ-followers will believe there is truth in *every* religion.

Inevitably, with unity at all costs becoming the foundation of the world and churches, *Christian* is already becoming a brand of shame. In the emerging new world, *Christian* says that you are intolerant, divisive, religiously bigoted, judgmental, and legalistic. In other words, *Christian* says to the world that you believe when God says there is only one way to God and none other that God actually means it. The world never has tolerated this faith very well.

*Christ-follower*, on the other hand, will become a badge of honor. In the emerging new world, *Christ-follower* will say that you are undogmatic, unifiable, open-minded, accommodating, and flexible. In other words, *Christ-follower* will say to the world that you believe God is inclusive of those whose way to God is different than the way given to us in His Word. It will say that you are tolerant of the other religions in the world and that you believe they can be just as right as Christianity. The world will tolerate this faith, or spirituality, just fine. Why wouldn't it?

### **The New Spirituality of the Emerging One Church**

If the New Spirituality's emerging transformation to Christ-follower describes you and your beliefs, then no doubt many, if not all, of the following New Spirituality beliefs will ring true with you, especially if you can identify with the Emerging Church movement.

“THERE IS NO RELIGION HIGHER THAN--TRUTH.'... [Truth] must be underlying every world-religion ... Therefore, that a portion of truth, great or small, is found in every religious and philosophical system ...”<sup>5</sup>

“[E]very man should be free to worship God in his own way.... His own God-illuminated mind will search for truth and he will interpret it for himself. The day of theology is over and that of a living truth is with us.”<sup>6</sup>

It is “the pride of mind which sees its way and its interpretations to be correct and true, and others' false and wrong.”<sup>7</sup>

“The teaching of Christ is not obsolete and out of date. It needs only to be rescued from the interpretations of the theologies of the past ...”<sup>8</sup>

“Christ's major task was the establishing of God's kingdom upon earth. He showed us the way in which humanity could enter that kingdom ... the way is found in service to our fellow men ...

“It is through supreme service and sacrifice that we become followers of Christ and earn the right to enter into His kingdom, because we do not enter alone.”<sup>9</sup>

“The need is for vision, wisdom and that wide tolerance which will see divinity on every hand and recognize the Christ in every human being.”<sup>10</sup>

“The true Church is the kingdom of God on earth ... composed of all, regardless of race or creed, who live by the light within, who have discovered the fact of the mystical Christ in their hearts.”<sup>11</sup>

“The message of God is clear. No matter what the religion, no matter what the culture, no matter what the spiritual or indigenous tradition, the bottom line is identical: We are all one.”<sup>12</sup>

“... Christian people are to recognize their place within a worldwide divine revelation and see Christ as representing all the faiths and taking His rightful place as World Teacher. He is the *World Teacher* and not a Christian teacher.... They may not call Him Christ, but they have their own name for Him and follow Him as truly and faithfully as their Western brethren.”<sup>13</sup>

“The Christ has no religious barriers in His consciousness. It matters not to Him of what faith a man may call himself.”<sup>14</sup>

“[‘The Christ’] has been for two thousand years the supreme Head of the Church Invisible ... composed of disciples of all faiths.... He cares not what the faith is if the objective is love of God and of humanity.”<sup>15</sup>

These New Spirituality (New Age and New Gospel) beliefs are bringing humanity and its religions together in interfaith unity. They are foundational to the Emerging One Church (the universal religion of the new world) which is indeed “widely desired and worked for” in *both* the world and today’s Christianity:

“[R]eligions though diverse in their theologies and forms of worship ... and though differing in their methods of application of truth, are united in three basic aspects ...

“When men recognize this and succeed in isolating that inner significant structure of truth which is the same in all climes and in all races, **then there will emerge the universal religion, the One Church**, and that unified though not uniform approach to God ... Theologies will disappear into the knowledge of God; doctrines and dogmas will no longer be regarded as necessary, for faith will be based on experience, and authority will give place to personal appreciation of Reality....

“The history of religions, the foundations of doctrine, the origin of ideas and the growth of the God idea are being subjected to research and study. This leads to much disputation; to the rejection of old established ideas as to God, the soul, man and his destiny.” (Bold added)<sup>16</sup>

“Today, slowly, the concept of **a world religion and the need for its emergence are widely desired and worked for**. The fusion of faiths is now a field for discussion. Workers in the field of religion will formulate the universal platform of the new world religion. It is a work of loving synthesis and will emphasize the unity and the fellowship of the spirit. This group is, in a pronounced sense, a channel for the activities of the Christ, the world Teacher. The platform of the new world religion will be built by many groups, working under the inspiration of the Christ.

“Churchmen need to remember that the human spirit is greater than all the churches and greater than their teaching. In the long run, that human spirit will defeat them and proceed triumphantly into the Kingdom of God, leaving them far behind unless they enter as a humble part of the mass of men....

“The churches in the West need also to realize that basically **there is only one Church, but it is not necessarily only the orthodox Christian institution**.” (Bold added)<sup>17</sup>

“This the church has hindered down the centuries, and has not helped because of its **fanatical zeal to make ‘Christians’ of all peoples and not followers of the Christ.** It has emphasized theological doctrine, and not love and loving understanding as Christ exemplified it.” (Bold added)<sup>18</sup>

This Emerging One Church (universal, new world religion) is captivating today’s Christianity that has been easily fooled into believing that the Word of God is insufficient and irrelevant for our global-minded world. This goes hand in hand with the view that the “traditional” Christian faith is a “failure” in today’s world. As a result, no time is being wasted in replacing the *scriptural* faith of Christianity with the “loving understanding” and New *Spirituality* faith of the Emerging One Church. In its growing relativistic zeal to make Christ-followers and not Christians, today’s Christianity is joining the interfaith work of building the platform of the new world religion.

### **One Universal Faith in God and in Humanity**

“The functioning of the Law of Loving Understanding ... will eventuate later in the development of a worldwide international spirit, in the recognition of one universal faith in God and in humanity also as the major expression of divinity upon the planet....”

Today there are many thousands coming under the influence of this Law of Loving Understanding. Many in every nation are responding to the broader synthetic brotherly note ... ”<sup>19</sup>

As a child growing up in Fresno, my favorite attraction was Roeding Park with its Zoo and Storyland. As its name implies, Storyland is a play area for kids featuring explorative displays and audio recordings of different children’s stories, such as The Three Little Pigs, Goldilocks, and various others. A Noah’s Ark display has also been included that featured a walk-through Ark made into a Christian Chapel, complete with stained glass windows and pews.

This past spring I had the opportunity to revisit Roeding Park. At first, the Noah’s Ark display appeared unchanged. It still seemed to be the same Christian Chapel. However, as I entered the Ark/Chapel I stood stunned and in disbelief. Neatly painted on the back of the pews were messages from different religions. As I stood there in dismay, I knew that I should not be surprised at the change. Yet despite having watched and warned about the New Spirituality’s relativism sweeping through the world and churches, I still found myself taken aback by the transformation to this attraction for young kids. With polished subtility, the deceptive interfaith messages on the pews consisted of the following:

“The world rests on truth and peace ~ Hebrew”

“And let the peace of God rule in your hearts – For in Him, we live and move and have our being ~ Christian”

“Show me Thy way, O Lord: teach me Thy path of truth and lead me ~ Hebrew”

“All people are brothers and sisters, and all things are my companions ~ Confucianist”

“For this is the message heard from the beginning: love one another ~ Christian”

“He is happy, who makes others happy ~ Zoroastrian”

“No one of you is a believer until he loves for his brother what he loves for himself ~ Mohammedan”

“The Lord is one, but He is called by a thousand names ~ Christian”

“Be kind to all creatures that have life – Do not speak harshly to anyone ~ Buddhist”

“Our Father has commanded you to share everything with your friends ~ Muslim”

These changes to the Ark exemplify what is happening in Christianity today. The universal faith of the Emerging One Church is becoming so dominant in our sleeping churches and world that many people will look at the above messages and wonder what, if anything, is wrong with them. Even

worse, many people won't even care, little realizing that not understanding the answer could end up costing them their very soul. As is happening in today's Christianity, this Christian Ark has been successfully transformed into a New Age Ark of Oneness, yet many people would look at it and believe that it is still completely Christian. After all, aren't the messages just positive goodwill messages about truth, peace, love, and brotherhood? How could this possibly cost anyone their soul?

The god of this world, who deceitfully transforms himself into "an angel of *light*," craftily mixes truth with error to make things *seem* right. And his unsuspecting, unwatchful prey can often overlook his dangerous lies when they *feel* good. There are several issues with the messages above, but one dangerous lie in particular permeates the New Spirituality faith of this Emerging One Church.

When religions are grouped together as equals, this *automatically* groups the gods of those religions as equals. Consequently, the inclusion of Christianity automatically reduces the only true and living God to nothing more than an equal of the false gods of the world. In fact, this is the meaning behind the lie falsely claiming to be a "Christian" message: "The Lord is one, but He is called by a thousand names." This statement actually stems from the false belief that all the gods in all the religions are only *different names* for one God, so people in all religions pray to and worship "the same God." This New Age relativism in itself makes all religions Christianity's equal and all their false gods the true God's equal. Yet this is precisely the purpose in the new faith, or New Spirituality, of the Emerging One Church (new world religion):

"[T]he key to truth lies in **the unifying power of Comparative Religion**. Only those principles and truths which are universally recognized and which find their place in **every religion** are truly necessary to salvation." (Bold added)<sup>20</sup>

"That new world religion *must* be based upon those truths which have stood the test of ages and which have brought assurance and comfort to men everywhere....

"First and foremost, there must be recognition of **the fact of God. That central Reality can be called by any name that man may choose** ... for it cannot be defined or conditioned by names." (Bold added)<sup>21</sup>

"The 'New Spirituality' is a way of honoring our natural impulse toward the Divine without making others wrong for the way in which they are doing it."<sup>22</sup>

"Humanity is recognizing the need for a more vital approach to God and one more intelligently presented; men are tired of doctrinal and dogmatic differences and quarrels; the study of Comparative Religion has demonstrated that the foundational truths in every faith are identical."<sup>23</sup>

"[R]eligious differences are largely the result of man made quarrels over human interpretations of truth. Thus gradually, our quarrels and differences will be offset and the idea of the One Humanity will take their place."<sup>24</sup>

This "universal faith in God and in humanity" is emerging as the new faith for many, and, from the Emerging Church movement to "conservative" evangelicalism, today's Christianity is no exception.

*"A little leaven leaveneth the whole lump." (Galatians 5:9)*

Whether aware of it or not, today's Christianity, along with the world, is being absorbed into the Emerging One Church. The new world and its One Humanity are well on the way to full emergence.

### **Departing from the Faith, Having Taken Away the Key of Knowledge**

*"Now it came to pass, as they went, that he entered into a certain village: and a certain woman named Martha received him into her house. And she had a sister called Mary, which also sat at Jesus' feet, and heard his word. But Martha was cumbered about much serving, and came to him, and said, Lord, dost thou not care that my sister hath left me to serve alone? bid her therefore that she help me. And Jesus answered and said unto her,*

*Martha, Martha, thou art careful and troubled about many things: But one thing is needful: and Mary hath chosen that good part, which shall not be taken away from her.” (Luke 10:38-42)*

*“But evil men and seducers shall wax worse and worse, deceiving, and being deceived. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; and that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works.” (2 Timothy 3:13-17)*

*“So then faith cometh by hearing, and hearing by the word of God.” (Romans 10:17)*

*“Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own steadfastness. But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. To him be glory both now and for ever. Amen. (2 Peter 3:17-18)*

Take a look again at the New Spirituality (Emerging One Church; One Universal Faith) beliefs quoted previously. As the New Spirituality continues to emerge as the new faith, these concepts and teachings are becoming ever more *familiar* within today’s Christianity. We are even being told that this is “*authentic*” Christianity. Yet *every one of these beliefs were penned by internationally known occultists and channelers!*

These beliefs, which are increasingly appearing in the teachings and writings of professing Christian leaders, were penned by Helena P. Blavatsky, Alice A. Bailey, and Neale Donald Walsch. Blavatsky has been referred to as the grandmother of the New Age movement, which is founded in the “Ageless Wisdom,” or “Ancient Wisdom,” of the East. This occultist and channeler of two spirit “Masters” founded the Theosophical magazine *Lucifer*, co-founded the Theosophical Society, and began the spread of the Ageless Wisdom to the West in the late 1800s. Bailey has been referred to as the mother of the New Age movement. This occultist and channeler of one spirit “Master” co-founded the Arcane School and Lucis Trust (“Lucis” was originally “*Lucifer*”), and continued Blavatsky’s work of spreading the Ageless Wisdom during the first half of the 1900s. Walsch founded the School of the New Spirituality in 2002 and Humanity’s Team in 2003, both of which are dedicated to shifting humanity’s faith and behavior to reflect the New Spirituality (Ageless Wisdom) belief that “we are all one.” This channeler of the spirit that calls itself “God” has become a leader and author of the New Age New Spirituality, thanks to his *Conversations with God* book series. He is furthering the spread of this Ageless Wisdom – Oneness – for our time.

These three people were all contacted directly by seducing spirits from *Lucifer’s* realm (who is the “god” of this world and Angel of “light”) for the purpose of bringing *teachings from his spirit world*—in other words, *doctrines of devils*—into our world. Yet their Ageless/Ancient Wisdom and its doctrines of Oneness are being welcomed into today’s bewitched Christianity as “*authentic faith*”!

The Holy Spirit warned this would happen, but people are increasingly indifferent and oblivious to what God’s Word actually says. The extremely dangerous new source of faith for today’s apathetic “Christianity” appears to be, “So then authentic faith cometh by hearing, and hearing by the doctrines of *Lucifer*.”

*“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of **devils**.” (1 Timothy 4:1)*

*“For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables.” (2 Timothy 4:3-4)*

With the subtlety of the serpent and his forked-tongue, leaders in today's Christianity are leading their followers away from the faith and armor of the true God by teaching—

- that we don't need to know God's *Word*, we just need to know God through *experience*, and loving and serving others;
- that we need to live the Christian life *instead of* thinking about it, so we need to study the Bible *less* because Bible study takes us away from experience, relationships, and service;
- that it is better for us to be "*experiencers*" rather than *believers*;
- that we don't need to study or know the Bible (God's Word of truth), but we can learn "a lot of truth" from different religions since *every* religion has its own "portion of the truth;"
- that God and Christ are in *every* human being;
- that we need positive *interfaith* dialogue to build connections between our different "*experiences*" of God and Christ;
- that Christians have misplaced their faith in the religion of Christianity rather than in the Person of Christ, hence making followers of Christ doesn't necessarily mean making followers of "the Christian religion;"
- that we can follow Christ in *any* religious framework of our choosing, because Christ is not bound to the "religious dogmas" of Christianity;
- that we are guilty of "*idolatry*" of the Scriptures when we hold to God's Word as authoritative doctrine, because God cannot be "confined" within a book;
- that we need to bring an end to Christian "dogma" (doctrine) and return to "the mystery of God" and "authentic faith;"
- that we must "*cast aside*" our "tribal" beliefs and doctrines, because we must focus on what unites rather than what divides;
- that Jesus' crucifixion is "*metaphor*," and we can't reduce His atonement to only one "*theory*;"
- that it isn't only Christians who are saved, because people can encounter and experience God and even be followers of Christ without knowing about Jesus;
- that we need to free Christ from the "box" of Christianity, because He belongs to the world;
- that everyone is free to find their "own way" and define or interpret scriptures, doctrine, theology, faith, and God as they wish;
- that the Church is a spiritual community of people who are all on a spiritual journey to God, and this spiritual journey takes place in both Christian *and* non-Christian forms;
- that we need to enlarge our community to include those in *other religions* whose "conceptions of God" are *different* from the Christian faith;
- that we need to journey back to "when we were all one" before any religion existed;
- that bringing *the different religions* together into one interfaith community is for the good of the world, since we all worship "*one God*;"
- that this *interfaith* community is the *true* "kingdom of God," because that which belongs to the kingdom of God can't be "*hijacked*" by Christianity;" and so on, and so forth.

**"THERE IS NO RELIGION HIGHER THAN--TRUTH.' ...**

**"Therefore, that a portion of truth, great or small, is found in every religious and philosophical system ... Our object is not to destroy any religion but rather to help to filter each, thus ridding them of their respective impurities....**

**"Free discussion, temperate, candid, undefiled by personalities and animosity, is, we think, the most efficacious means of getting rid of error and bringing out the underlying truth ... The object of the latter is to elicit truth, not to advance the interest of any particular *ism* ..."**<sup>25</sup>

**"[I]s there such a thing as *absolute truth* in the hands of any one party or man? Reason answers, 'there cannot be.' There is no room for absolute truth upon any subject whatsoever, in a world as finite and conditioned as man is himself. But there are relative truths, and we have to make the best we can of them.... for every one of us has to find that (to him) final knowledge *in himself*."**<sup>26</sup>

**—*Lucifer Magazine*, 1888, Helena Blavatsky**

This “Ageless” doctrine of devils that “There is no Religion higher than Truth” is becoming the new foundation of faith for many. What is the source of *your* faith, and what is *your* definition of truth?

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

Indeed, everything is changing as today’s Christianity switches from the Christian faith to relativism. One relativistic belief leads to another, and the belief that no one has to change their religion in order to be followers of Christ and God naturally leads to the belief that all the gods of the people and nations are just different conceptions, interpretations, experiences, and names of “the same God.” Leaders of today’s Christianity are leading their unquestioning followers right into the Emerging One Church (new world religion/New Spirituality) of the new world—the New Age counterfeit kingdom of its counterfeit “God,” counterfeit “Christ,” and counterfeit “truth.” Yet in their double-speak, they are simultaneously claiming that these teachings do not compromise the faith, relativize Jesus Christ, or deny that He is the way, the truth, and the life! Apparently, double-mindedness precludes the understanding of either “compromise,” “relativize,” or John 14:6.

Wolves have been given free reign in the sheepfold, and they are on a devouring rampage “*in sheep’s clothing*,” just as the Lord Jesus Christ and the apostle Paul warned (Matthew 7:15-16; Acts 20:29-30). The wolves in Christianity today are casting aside the knowledge of God’s Word of truth and telling their followers to do the same. The resultant scriptural illiteracy in today’s Christianity has inevitably given rise to its pandemic of “deceiving, and being deceived.” The wolves taking over Christianity today are as the lawyers who were warned by the Lord Jesus Christ:

“Woe unto you, lawyers! for ye have taken away **the key of knowledge**: ye entered not in yourselves, and them that were entering in ye hindered.” (Luke 11:52)

God’s Word is the truth and the key to His Kingdom. Other keys such as works, world service, experiences, interfaith unity, relativism, right human relations, etcetera, might work in the Emerging One Church—the *counterfeit* kingdom of God—but they do not work in the *true* Kingdom of God. If you reject the true saving faith that comes by the absolute truth of God’s Word, then you are rejecting the only key that gives entrance into God’s Kingdom.

“Jesus answered and said unto him, Verily, verily, I say unto thee, **Except a man be born again, he cannot see the kingdom of God**... Marvel not that I said unto thee, Ye **must** be born again... He that **believeth** on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.” (John 3:3, 7, 36)

“But what saith it? The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach ... So then **faith** cometh by hearing, and hearing **by the**

**word of God.**" (Romans 10:8, 17)

**"Sanctify them through thy truth: thy word is truth."** (John 17:17)

**"Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever. For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you."** (1 Peter 1:23-25)

**"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."** (Romans 1:16)

Even if knowing and believing it is regarded as "hatred," "religious oppression," and a "hindrance" to the interfaith unity of the Emerging One Church, God's Word is still the truth and the only key to God's true Kingdom. And God's Word gives us the *Christian* faith. The Christian faith of true Christianity has not "hijacked" anything of God. God Himself is the One Who chose to deliver His absolute truth specifically unto His people in "the faith which was once delivered unto the saints" (i.e., "they that keep the commandments of God, and the faith of Jesus" – Revelation 14:12; Jude 1:3). This Christian faith is the only faith comprised of the doctrine of Christ, and it is the *doctrine* of Christ that gives us the *Person* of Christ. Yet this Christian faith/doctrine is seen as a "box" from which Christ needs to be freed! To say this is utter nonsense is a tremendous understatement! Christ needs to be freed from *the truth of Who He is?!*

To throw out the knowledge and belief of God's Word of truth is spiritual suicide. If you rid your life of the *doctrine* of Christ, you are ridding your life of the *Person* of Christ and *God Himself*.

*"Then said they unto him, What shall we do, that we might work the works of God? Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent."* (John 6:28-29)

**Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God.** *He that abideth in the doctrine of Christ, he hath both the Father and the Son.*" (2 John 1:9)

God said it. Those who still prefer to believe that it is "idolatry," "religious bigotry," "tribalism," or "pride" to believe and abide in the doctrine of Christ can take it up with God. No doubt the day is soon coming when God will be sure to take it up with them.

It all comes down to whether people believe that God's Word truly is the Word of God. Those who do not—regardless of whether or not they admit it—will question, doubt, reimagine, and rethink God's Word. "Yea, *hath God said?*" The serpent's question is now often repeated by *unbelieving Christians*. Their belief that God's Word is *debatable* and not *knowable* with *certainty* frees them to believe and do what is right in their own eyes, along with the world. They are experiencing the New Spirituality's transformation. As is their purpose, they are becoming "experiencers" rather than believers. And as the Holy Spirit warned would happen, they are departing from *the faith*.

The world is not the innocent "victim" of the "tribal" faith and "outdated" methods of scriptural Christianity, as today's deceived teachers would have us believe. Humanity has always preferred believing and doing what is right in its own eyes rather than what is right in God's eyes, and it is very persistent in its determination to get away with it. This persistence is now becoming very evident within today's inclusive new counterfeit "Christianity" as well.

*"And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reprov'd."* (John 3:19-20)

*"Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the*

good way, and walk therein, and ye shall find rest for your souls. **But they said, We will not walk therein.**” (Jeremiah 6:16)

## Transcending Religious Differences to Become “Truly Human” on the Ark of Oneness

“I suggest that such an international, universal, transcreeedal, transcultural, transracial standard for theology is the statement: ‘We Are All One. Ours is not a better way, ours is merely another way.’

“This can be the gospel of a **New Spirituality**. It can be a kind of spirituality that **gives people back to themselves.**” —the seducing spirit calling itself “God” that channeled its teachings through Neale Donald Walsch in their conversations (Bold added)<sup>34</sup>

When Noah built the Ark of God, he preached to the world warning humanity of God’s coming judgment. No one had ears to hear. Only Noah’s family of eight people were willing to obediently give themselves to God; they alone boarded the Ark. The rest of humanity persisted in believing and doing what was right in their own eyes and subsequently found themselves the recipients of God’s severe judgment.

Despite its destruction in the flood, and despite its setback when it tried to become One at the tower of Babel, humanity remains undeterred in its self-determination. Even so, humanity thinks it has learned its lesson, that the key is to be on the Ark rather than to be separated from it. So what is humanity’s solution? Build its own Ark of course.

“‘There is no Religion higher than Truth.’ Hence ... we must welcome Truth wherever it may be found, without partiality for any one belief as against another.” —Helena Blavatsky<sup>35</sup>

“Relinquish the pride of mind which sees its way and its interpretations to be correct and true, and others’ false and wrong. This is the way of separation.” —the seducing spirit calling itself Djwhal Khul<sup>36</sup>

“Everyone fanatically clinging to an idea isolating him from the universal axiom—“There is no Religion higher than Truth”—will find himself separated like a rotten plank from **the new ark called Humanity.**” —Helena Blavatsky (Bold added)<sup>37</sup>

Humanity’s spiritual Ark is being built by many groups as the platform of the new world religion (Emerging One Church). Although it gives the appearance of being “Christian,” or “following Christ,” it is a New Age Ark of Oneness. The builders of this Ark are offering the peace and safety of Oneness with God and with each other to all who are spiritual enough to get on board. They are also warning everyone who remains separate from this Oneness to change their wrong separative beliefs or face the coming storm of judgment that is to purge the world of all separateness.<sup>38</sup> Only those who forsake “the way of separation” and find “forgiveness” toward others—in other words, those who believe “There is no Religion higher than Truth” and no longer see the ways and “interpretations” (beliefs) of others to be false and wrong—can enter this Ark of peace and safety.

“**The ark of peace** is entered two by two, yet the beginning of another world goes with them....

“Think not that your forgiveness of your brother serves but you two alone. For the whole new world rests in the hands of every two who enter here to rest.” —the seducing spirit calling itself “Jesus,” who channeled *A Course in Miracles* through Helen Schucman, Professor of Medical Psychology at Columbia University’s College of Physicians and Surgeons in NYC (Bold added)<sup>39</sup>

The winds will blow upon it and the rain will beat against it, but with no effect. The world will wash away and yet this house will stand forever, for its strength lies not within itself alone.

**It is an ark of safety ...**” —the seducing spirit calling itself “Jesus” (Bold added)<sup>40</sup>

The call is still going out. Are you one of those on the way to becoming spiritual enough—spiritually

One enough—to become “truly human”? Are you one of those whose hearts are listening and who will help build this “Ark of hope” and create a New Humanity for the new world?

“It is here that the Church, as usually understood, meets its major challenge. Is it **spiritual enough to let go of theology and become truly human**? Is it interested enough to widen its horizon and recognize as truly Christian all who demonstrate the Christ spirit, whether they be Hindu, Mohammedan, or Buddhist, whether they are labeled by any name other than that of orthodox Christian?” —Alice Bailey (Bold added)<sup>41</sup>

“We need to reconfirm the great things in life ... expressions of the purest aspects of our spirit, reflections of **the Oneness that we are**. This is what the Alliance [for a New Humanity] is seeking, a going back to **being truly human**, a pause, a call to this sense in most of all....

“Once, when Noah set out to build the Ark, it is said that few wanted to invest their time or resources in such a venture. But it did rain a lot, and those who built the lifeboat sailed and generated a new hope, a new seed for the Universe to continue looking at itself. So goes the myth of Noah.

“Today we are again swamped with **our forgetfulness of Being** ... We are again callous to each others’ pain as we indulge in our separateness. We must call again, for those whose hearts are listening ... Call upon ourselves to **help us build this Ark of hope**, this Human-Net.” —Deepak Chopra, President & Co-founder of the Alliance for a New Humanity, a popular spiritual leader who is highly acclaimed as “the preeminent voice of Eastern Philosophy in the West” (Bold added)<sup>42</sup>

“This is an opportunity for us to **transcend our religious differences**, our ethnic boundaries, and create a new humanity which is based on love, sharing, compassion, giving....

“You know in historical traditions, in religious traditions, God rained on the earth for 40 days. And from that came Noah’s Ark and the creation of a new humanity. Can we create a new humanity that is not based on militarism ethnocentrism, racism, bigotry, hatred, and prejudice?” —Deepak Chopra (Bold added)<sup>43</sup>

Unlike the world in Noah’s day, this time *many* people are listening. Multitudes are joining the efforts to warn the world and help build humanity’s Ark of Oneness to save the world from its global and planetary problems, which the New Age teaches are caused by separation, or lack of Oneness due to “forgetfulness of Being.” The *hope* of this Ark is its spiritually One “*New Humanity*” that will “remember” or “awaken” to the “divine” “Reality” of “*who they really are*” in the core of their “Being.”

In other words, the *hope* of this Ark is the belief in humanity’s inner “*Oneness*” with God, which is the basis for humanity’s spiritual “*Oneness*” with each other. Oneness embraces panentheism—the belief in God’s immanence, or that God is *in everyone* and *everyone* is *in* God (and therefore everyone is One with each other)—and ultimately leaves *no separation (or gap) at all* between God and humanity. This panentheism is the New Age New Spirituality’s misunderstanding of Acts 17:28, “For in him we live, and move, and have our being,” which is why this verse was included in the New Age transformation to the Christian Ark mentioned earlier.

“Key to the New Spirituality is a belief that God is not separate from anyone or anything — and neither are we.” —Neale Donald Walsch’s Humanity’s Team website<sup>44</sup>

“God is All in all in a very literal sense. All being is in Him Who is all Being. You are therefore in Him since your being is His.... By your awakening to it, you are merely forgetting what you are not. This enables you to remember what you are.” —the seducing spirit calling itself “Jesus”<sup>45</sup>

“The beautiful relationship you have with all your brothers is a part of you because **it is a**

**part of God Himself.** Are you not sick, if you deny yourself your wholeness and your health, the Source of help, the Call to healing and the Call to heal?... For healing will be one or not at all, its **oneness being where the healing is.** What could correct for separation but its opposite?...

**“It is an ark of safety,** resting on God’s promise that His Son is safe forever in Himself. **What gap can interpose itself between the safety of this shelter and its Source?”**  
—the seducing spirit calling itself “Jesus” (Bold added)<sup>46</sup>

The *hope* of the New Age faith, or New Spirituality, is that when this One Humanity has achieved its “*divine potential*” and all separation has been purged from the world, then world problems such as “tribalism” and poverty and hatred and violence will be left behind. The world will then be transformed by this New Humanity into a *divine* new world of peace, love, good will, and sharing where everyone can be free to worship his own inner (immanent) “God” of his own understanding in his own way. The call for this New Age “kingdom of God” is now being so widely heeded, even in today’s Christianity, that the building of humanity’s Ark of Oneness is suddenly nearing completion.

“Our opportunity now is to create the space of possibility for a New Spirituality to emerge upon the earth ... bringing to our world at last **an individualized experience of the Divine** in a unified form that **makes no one wrong for the way in which they are approaching the God of their understanding,** and that creates no condemnation or conflict in God’s name.” —Neale Donald Walsch (Bold added)<sup>47</sup>

“Today men’s minds are recognizing the dawn of freedom; they are realizing that every man should be free to worship God in his own way.... **His own God-illuminated mind** will search for truth and he will interpret it for himself. **The day of theology is over ...**” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>48</sup>

“The search for a new narrative that unites us and takes us to the dawn of a new civilization is a fundamental driving force at these crossroads of humanity.” —Deepak Chopra<sup>49</sup>

Purposefully casting aside the key that gives entrance into the *true* Kingdom of God, humanity is doing its own kingdom building of an inclusive *counterfeit* kingdom that “all men of peace and good will” in any faith can enter.<sup>50</sup>

“‘Getting to heaven’ will no longer be the ultimate purpose in life. *Creating* heaven wherever you are will be seen as the prime objective.” —Neale Donald Walsch<sup>51</sup>

“We are concerned with only one subject, the ushering in of the new world order.... We are occupied with the formation of that new party which will gather into its ranks all men of peace and good will ... This new party can be regarded as the embodiment of **the emerging Kingdom of God on earth,** but it should be remembered that **this kingdom is not a Christian kingdom** ... It is a grouping of all those who - belonging as they do to **every world religion** and every nation and type of political party - are free from the spirit of hatred and separateness, and who seek to see right conditions established on earth through mutual good will.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>52</sup>

Although humanity intends for its Ark of Oneness to bring the world love, peace, compassion, brotherhood, goodwill, sharing, beauty, justice, virtue, unity, service, and elimination of global and planetary problems, humanity is ultimately being driven by the god of this world to a very specific destination (a destination that not every builder and would-be boarder of the Ark is necessarily aware of ahead of time). This Ark of Oneness is the ultimate forbidden fruit. It is the no-holds-barred grand finale of the serpent’s seduction of humanity, which he began in the Garden of Eden. At its core, underneath all the alluring external trappings of love, peace, compassion, and so forth, this emerging Ark of Oneness and its counterfeit kingdom of God are nothing more than the serpent’s promise:

**“Ye shall not surely die: ... then your eyes shall be opened, and ye shall be as gods, knowing good and evil.”** (Genesis 3:4-5)

“When, therefore, **sight** has been attained and the light streams forth, **revelation of the oneness of all life** is a simple and immediate occurrence ...

“[I]n these days many are attaining sight and light is pouring in....

“An increase of pressure on the part of all who recognize the factual nature of **the inner subjective kingdom of God**, will produce amazing results....

“We are all the children of God; we are all equally divine; we are all on our way to **the revelation of divinity ...**” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>53</sup>

“This divinity in man must be brought to the birth, both in the individual and in the race, and **thus can the kingdom of God on earth be brought into being.**” —Alice Bailey (Bold added)<sup>54</sup>

Essentially, this emerging counterfeit “kingdom of God” is the kingdom of *Humanity* in which to become “truly human” is to become “truly God.” The serpent’s purpose for this kingdom is to “initiate” you into “*the mysteries of Being*,” that is, the “revelation” of “*the Secret*” that God and Christ are *already* within you as “Who You Really Are” *regardless of what you believe or do*. In Oneness there are no right or wrong “interpretations” (beliefs) of truth; there is only your own inner “light” of your own personal *experience* of your own “Christ” and “God” of your own understanding through your own “Oneness with God.”

“*Being* alone lives in the Kingdom, where **everything lives in God** without question.” —the seducing spirit calling itself “Jesus” (Bold added)<sup>55</sup>

“That is why we make no distinction between *having* the Kingdom of God and **being the Kingdom of God.**” —the seducing spirit calling itself “Jesus” (Bold added)<sup>56</sup>

“The teaching of Christ is not obsolete and out of date. It needs only to be rescued from the interpretations of the theologies of the past, and taken at its simple face value, which is an expression of the divinity of man, of his participation in **the kingdom which is in process of being brought into recognition**, and of his immortality as a citizen of that kingdom. What we are in reality passing through is ‘**a religious initiation into the mysteries of Being**,’ ... and from that **we shall emerge with a deepened sense of God immanent in ourselves and in all humanity.**” —Alice Bailey (Bold added)<sup>57</sup>

“Truth lies within ourselves. When we can contact **our own inner God** all truth will be revealed to us. We shall be Knowers.” —Alice Bailey (Bold added)<sup>58</sup>

“The kingdom of God is not some one particular church with its own peculiar doctrines, its particular formulations of truth ... and of approach to God.

“**The true Church** is the kingdom of God on earth ... composed of all, regardless of race or creed, **who live by the light within**, who have **discovered the fact of the mystical Christ in their hearts**, and are preparing to tread the Way of Initiation....

“The work of the disciple is the founding of the kingdom, and the primary characteristic of its citizens is immortality.... **[T]hey have life everlasting because there is in them that which cannot die, being of the nature of God.** To be immortal because one’s sins are forgiven seems an inadequate reason to an intelligent mind; to have everlasting life because Christ died two thousand years ago does not prove satisfactory to the man who is conscious of his own responsibility and his own identity; to live for ever because one is religious, or has accepted certain forms of belief, is a reason repudiated by the man who is aware of **his own inner power and nature ...**” —Alice Bailey (Bold added)<sup>59</sup>

“The New Spirituality is a civil rights movement for the soul, freeing humanity at last from the oppression of its belief in a separate, angry, violent, and fearful God.” —Neale Donald Walsch<sup>60</sup>

Oneness has no use for the key to the true Kingdom of God. In the “safety” of Oneness, humanity

becomes “as God” with everyone knowing and interpreting and deciding for oneself what is good and what is evil. Thus in Oneness, humanity can “safely” believe and do what is right in its own eyes without fear of judgment from God or man. In the “safety” of Oneness and its “true Church” (i.e., its Emerging One Church), a darkness-loving humanity can finally emerge out of the reproving light of the knowledge of the true God and achieve what it has really wanted all along: “*Absolute Freedom of Human Thought.*”<sup>61</sup>

### **Meditation: The Expressway to the “God” and “Christ” Within You as “Who You Really Are”**

One reason humanity is well on its way to becoming “truly human” enough for the new world and its Ark of Oneness is meditation. Thanks to meditation, which is so popular that it has become a major selling point in advertisements, “discovering” the “fact” of the immanent “God” or mystical “Christ” already within all of humanity will soon become an accepted and ordinary “spiritual experience.” Meditation is the most effective and most deceptive weapon in the serpent’s arsenal for the purpose of seeking new members for his counterfeit kingdom of God. Whether they know it or not, the growing number of those who meditate are meditating themselves right into his kingdom of Oneness.

The true nature and goal of meditation is flying under the radar of too many in today’s armor-shunning Christianity, and there is, already, a heavy cost. Those who believe that meditation can be “reclaimed” as “spiritual disciplines” for God or that it can be reduced to nothing more than “exercise” or “scientifically-proven stress relief” have been severely deceived, lying “experiences” notwithstanding. (There is a reason that God’s Word—an essential part of the armor of God—warns us in 1 Timothy 6:20-21 about “oppositions of *science falsely so called*”!) So-called “Christianized” or “Christ-ized” forms of meditation such as visualization, solitude, the silence, spiritual breathing or breath prayers, the Jesus Prayer, centering prayer, kything prayer, contemplative prayer, lectio divina, the labyrinth, yoga, tai chi, etcetera, go way beyond being merely “spiritual disciplines,” “exercise,” or “stress relief.” It is not a coincidence but rather *the direct result* that as the practice increases of the various forms and stages of meditation in today’s Christianity, so do its beliefs in the New Spirituality of the Emerging One Church.

In meditation, it is not the realm of the true God which is contacted but the deceptive realm of the god of this world, Lucifer, the fallen Angel of light. The “light” of illumination and inspiration that breaks in on the person meditating is the deliberately deceptive, counterfeit “light” of the Angel of “light.” This Master Counterfeiter no longer has to work very hard to deceive today’s Christianity, which has replaced the authority of God’s Word of truth with the new authority of humanity’s subjective spiritual *experience*. People have become their own supreme authority. Becoming “as gods, knowing good and evil” is occurring in both the world and today’s professing “Christianity.”

The following quotes on the nature and goal of meditation for those who practice it were penned by Alice Bailey. This channeler of one of the fallen angels of Lucifer’s realm was chosen directly by this spirit realm to detail its “Plan” in writing; a Plan which is successfully luring today’s bewitched Christianity into its counterfeit faith of its counterfeit kingdom of its counterfeit “God.” The destination of our faith is determined by our source of faith. Is your source of faith *God’s Word* or *Lucifer’s* doctrines of devils and *lying experiences*? “Christianizing” meditation no more changes the true nature and goal of meditation than dressing up a wolf in sheep’s clothing changes the wolf.

“It is, of course, easy to find many passages which **link the way of the Christian Knower with that of his brother in the East**. They bear witness to **the same** efficacy of method and they too use the intellect just as far as it will go and then suspend all effort whilst **a new condition of being** is instituted and **a new state of awareness** supervenes....

“Thus, the great schools of **intellectual meditation** (devoid in the final stages of feeling and emotion) **all lead to the same point**. From the standpoint of **Buddhism**, of

**Hinduism**, of **Sufism**, and of **Christianity**, there is **the same** basic goal: Unification with Deity; there is **the same** transcendence of the senses, **the same** focusing of the mind at its highest point, **the same** apparent futility of the mind beyond that point to carry the aspirant to his objective; there is **the same** entering into the state of contemplation of Reality, **the same** assimilation into God, and awareness of identity with God, and **the same** subsequent Illumination.

**“All sense of separateness has disappeared.”** —Alice Bailey (Bold added)<sup>62</sup>

“The meditation process is divided into five parts, one part leading sequentially to another....

1. *Concentration*. This is the act of concentrating the mind, learning to focus it and so use it.
2. *Meditation*. The prolonged focusing of the attention in **any** direction and the steady holding of the mind on **any** desired idea.
3. *Contemplation*. An activity of the soul, detached from the mind, which is held in a state of quiescence.
4. *Illumination*. This is the result of the three preceding processes, and involves the carrying down into the brain consciousness of the knowledge achieved.
5. *Inspiration*. The result of illumination, as it demonstrates in the life of service.

**“These five stages, when followed, lead to union with the soul and direct knowledge of divinity.”** —Alice Bailey (Bold added)<sup>63</sup>

“[F]or **meditation is the one means whereby the sense of separateness is transcended**, and unity with one's kind occultly comprehended.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>64</sup>

“It might therefore be said that revelation concerns Oneness and nothing else.” —the seducing spirit calling itself Djwhal Khul<sup>65</sup>

“[B]y surrendering himself to the life at the center and there holding himself poised and still, yet alert, **the light will break in and reveal** to the disciple **that which he needs to know**. He learns to express that **inclusive love** which is his major requirement **and to let go the narrow**, one-pointed attitude which he has hitherto regarded as love. **He welcomes then all visions**, if they serve to lift and comfort his brothers; **he welcomes all truths**, if they are the agents of revelation to other minds; **he welcomes all dreams** if they can act as incentives to his fellow men.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>66</sup>

“Third: In the language of some of the pioneers into the spiritual realm, **the third result of meditation is that we find God. It is relatively unimportant what we mean in detail by that little word of three letters. It is but a symbol of Reality....** Let us regard God as that ‘High and Unknown Purpose’ which can be recognized as the sumtotal of all forms which express the Life ...

“Fourth: **In the words of all schools of mystics in both hemispheres, these results [of meditation] are summed up in the words: Union with God, or At-one-ment with Divinity. God and man are at-one. The Self and Not-Self are unified.**” —Alice Bailey (Bold added)<sup>67</sup>

Today's Christianity has become meditation's eager practitioner and apologist, and it is not a coincidence that it is now changing its faith to the New Spirituality's relativistic faith in which everyone has different experiences, interpretations, concepts, and names of “the same God.” As pointed out in Bailey's previous quote, “the third result of meditation is that we find God” and it is “relatively unimportant what we mean in detail by that little word of three letters.”

Once this relativism is believed in, it is a very small step to “realizing” that if everyone's belief in God is just a different “interpretation” of God, then the New Age belief in God as the “Reality” of “Who

You Really Are” also becomes just a different “interpretation” of God. The same goes for everyone’s belief and “interpretation” of Christ. This counterfeit kingdom of “God,” and its “realization” (“Self-realization”) of the immanent “God” and mystical “Christ” within *all* of humanity, is making forceful advances. The spiritual Ark of Oneness is nearing completion.

## The Coming One

Rising to take the helm of humanity’s Ark of Oneness by “showing” that he, “being of the nature of God,” has achieved the “*divine potential*” of man and has become “as God,” the coming unparalleled “man of sin” will be revealed to the spiritually-readied masses—

*“Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he **as God** sitteth in the temple of God, **showing himself that he is God.**” (2 Thessalonians 2:4)*

This grand finale of the serpent’s seduction of humanity will *appear to prove* to an awestruck, bewitched humanity *the seeming truth* of the promise he gave in the Garden of Eden. With the “power and signs and lying wonders” of “the great dragon”—“that old serpent, called the Devil, and Satan, which deceiveth the whole world” (Revelation 12:9)—this “man of sin” will masquerade as a “man of peace” who has “achieved” both divinity and immortality.

*“And then shall that Wicked be revealed ... Even him, whose coming is after the working of Satan **with all power and signs and lying wonders**, and with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.” (2 Thessalonians 2:8-10)*

*“And I stood upon the sand of the sea, and saw a beast rise up out of the sea ... and the dragon gave him his power, and his seat, and great authority. And I saw one of his heads as it were wounded to death; and **his deadly wound was healed: and all the world wondered after the beast.... and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?**... And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. If any man have an ear, let him hear.” (Revelation 13:1-4, 8-9)*

With humanity’s Ark of Oneness nearly completed, and this Coming One on the way, it appears that the serpent and his minions are pulling out all the stops in their zeal to finish getting the masses of humanity spiritual enough to follow their “man of peace” on board. In turn, humanity is becoming a swift learner of the ways and teachings of the New Spirituality and its Emerging One Church (universal, new world religion). When the time comes, those who are spiritual enough will, as One, leave all separateness behind and follow the serpent’s Coming One (the New Age antiChrist) right into his counterfeit kingdom of God—a kingdom of the false “God” of New Age relativism, the false “Christ” of New Age relativism, the false “Jesus” of New Age relativism, the false spirit of New Age relativism, and the false gospel of New Age relativism. There is nothing greater than knowing the wonderful, loving Person of the Lord Jesus Christ. Yet people are trading Him in to become followers of this kingdom’s counterfeit “Christ” who can only offer a counterfeit peace, a counterfeit love, a counterfeit faith, a counterfeit grace, a counterfeit salvation, and a counterfeit kingdom of a counterfeit “God.”

“I would point out that when I use the phrase “**followers of the Christ**” I refer to all those who love their fellowmen, **irrespective of creed or religion**. Only upon this basic premise can a hopeful future be founded.

“I do not care whether or not those who read my words accept the occult teaching of a spiritual and planetary Hierarchy over which the Christ presides, or whether they think in terms of Christ and His disciples.” —the seducing spirit calling itself Djwhal Khul (Bold

added)<sup>68</sup>

“For **Christ takes many forms with different names** until their oneness can be recognized.” —the seducing spirit calling itself “Jesus” (Bold added)<sup>69</sup>

“He is the *World Teacher* and not a Christian teacher.... They may not call Him Christ, but **they have their own name for Him** and follow Him as truly and faithfully as their Western brethren.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>70</sup>

“**The Name of Jesus Christ** as such **is but a symbol**.... It is a symbol that is **safely used as a replacement for the many names of all the gods to which you pray**.” —the seducing spirit calling itself “Jesus” (Bold added)<sup>71</sup>

*“But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ. For if he that cometh preacheth **another Jesus**, whom we have not preached, or if ye receive **another spirit**, which ye have not received, or **another gospel**, which ye have not accepted, ye might well bear with him.” (2 Corinthians 11:3-4)*

Those who are spiritual enough to board this New Age Ark are “followers of the Christ,” or “Christ-followers.” But they are followers of the false “Christ” of Oneness, not the followers of *the Lord Jesus Christ*. Boarding this Ark of Oneness denies that *the Lord Jesus Christ is the way* and declares that all religions have their own way *included*. Boarding this Ark of Oneness denies that *the Lord Jesus Christ is the truth* and declares that all religions have their own truth *included*. Boarding this Ark of Oneness denies that *the Lord Jesus Christ is the life* and declares that all religions have their own way of life and salvation *included*. Those who board the serpent’s New Age Ark are followers of his New Age “Christ” who has *separated* Christ from the *Person* of the Lord Jesus Christ—i.e., has “freed” Christ from the truth, or Christian “box,” of Who the true Christ is—and is therefore known by many names in the different religions.

“[T]he Coming One - for Whom all men wait - will come and that He will not be Christian, Hindu or Buddhist *but will belong to all men everywhere*.” —the seducing spirit calling itself Djwhal Khul<sup>72</sup>

“Humanity in all lands today awaits the Coming One - no matter by what name they may call Him. The Christ is sensed as on His way.” —the seducing spirit calling itself Djwhal Khul<sup>73</sup>

### **Oneness Demands Sacrifices**

To bring the counterfeit kingdom of God (the new world religion/Emerging One Church) into full emergence, the dragon intends to eliminate all hindrances through his Coming One. Sooner than we think, people will be given the choice to either get on board the Ark of Oneness or remain in the great sea of separateness and get “swallowed up” in the coming storm of judgment.

“Nothing can prevent the new world religion from eventually emerging.... **It will be hindered by the fundamentalists, the narrow-minded and the theologians** in all the world religions, by those who refuse to let go the old interpretations and methods, **who love the old doctrines** ...” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>74</sup>

*“And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.” (Revelation 12:17)*

*“And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.” (Revelation 13:7)*

Although the builders of humanity’s Ark of Oneness would have the world believe that the new world and its Emerging One Church, with its “one universal faith in God and in humanity,” is all about

peace, love, compassion, no hatred, and building the Kingdom of God on earth, this couldn't be further from the truth. Not only will this counterfeit kingdom of a counterfeit "God" and "Christ" lead humanity to the Oneness of its own "divinity," but it will also lead humanity to "the demanded sacrifices" of its new *Final Solution*. The *required belief* that "There is no Religion higher than Truth" will be taken to the next level for those who do not lay down the Word of God and surrender to the forces of Oneness, and who therefore are not spiritual enough to board humanity's New Age Ark.

"Everyone fanatically clinging to an idea isolating him from the universal axiom—"There is no Religion higher than Truth"—**will find himself separated like a rotten plank from the new ark called Humanity**. Tossed by the waves, chased by the winds, buffeted by this element so terrible because unknown, **he will soon find himself swallowed up.**"  
—Helena Blavatsky (Bold added)<sup>75</sup>

In seething hatred (no love, compassion, tolerance, or lack of violence here!), a genuinely "Self-centered" humanity will be successfully incited by the dragon and his spirit realm to execute judgment upon all who are "guilty" of the new world's "worst" "hate" crime—*believing the truth* given to us by God in His Word; in other words, *not believing* the *required belief* of the new world religion (Emerging One Church). This hatred for the light of God's truth and for those who walk in it has already spread so *universally* that people merely have to stand up for God's truth in "Christian" circles and they will often immediately find themselves on the receiving end of an angry hatred lying in wait beneath the "love," "compassion," and "unity" rhetoric.

Yet in the upside-down New Spirituality of this upside-down new world, the ones who are deemed guilty of "self-centered" "hate" are those who lovingly alert others to God's truth that He sent His Son *the Lord Jesus Christ* to offer salvation to *all* who *believe in Him*. Incidentally, the message of the Christian faith is *not* a failure in helping the world, as is claimed. The world has chosen to *reject* the true God and His help and remain in its rebellion and sins *against Him*. *The problem lies with humanity, not with God's Word of truth!*

"We have been held too long by the dogmas of the past, and **there is today a natural revolt against the idea of individual salvation through the blood sacrifice of Christ...**

"We have preached a God of love and have spread **a doctrine of hate**. We have taught that Christ died to save the world and have endeavored to show **that only believers could be saved** ...

"Individual salvation is surely selfish in its interest and its origin." —Alice Bailey (Bold added)<sup>76</sup>

"That old message of right and wrong, ... good and evil, everlasting rewarding and everlasting damnation, has done nothing to end the suffering on your planet ... And that is because **it is a message of separation.**" —the seducing spirit calling itself "God" (Bold added)<sup>77</sup>

"But you *do* have a new message. It is, at last, The Truth. And this message is the *only* message that can save the world.... That message is The New Gospel: WE ARE ALL ONE." —the seducing spirit calling itself "God"<sup>78</sup>

"'We Are All One. Ours is not a better way, ours is merely another way.' This can be the gospel of a New Spirituality." —the seducing spirit calling itself "God"<sup>79</sup>

"Again I say: *put an End to Better*. For this is The New Gospel: ... There is no **one true religion....** or **one and only way to Heaven.**

"Erase these ideas from your memory. Eliminate them from your experience. Eradicate them from your culture. For **these are thoughts of division and separation** ... Only the truth I give you here will save you: WE ARE ALL ONE." —the seducing spirit calling itself "God"

(Bold added)<sup>80</sup>

“[A] new church of God, gathered out of all religions and spiritual groups, will **untidily bring to an end the great heresy of separateness.**” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>81</sup>

“And so, there will be chaos, created largely by those who do not want to make the shift, who cannot accept the end of ‘better’ and The New Gospel of Oneness.” —the seducing spirit calling itself “God”<sup>82</sup>

Diabolically masquerading as a Plan for “peace” and “love,” this Plan of the spirit realm to “end the great heresy of separateness” has been revealed by evil spirits masquerading as angels of light to their various selected spokespersons.<sup>83</sup> The following channeled quotes penned by Alice Bailey include just a sample of this Plan to achieve “peace on earth” by eliminating all hindrances through the deception and power of this realm and its Coming One (antiChrist), of whom the world will be in awe and fear.

“A clear vision of the future world order (in broad and general outline but not in detail), an intelligent recognition of the hindrances and impediments which block its appearance, and a willingness to take the necessary steps upon the physical plane and to pay the required price and tender **the demanded sacrifices** are essential attitudes, prior to **the elimination of the hindrances which stand in the way of the coming new world.**” —the seducing spirit calling itself Djwhal Khul (Parentheses in the original; bold added)<sup>84</sup>

“The difference between a sect and a church is, after all, only one of degree and historical inception; it is one of interpretation, of fanatical adherence to some pet truth and always - exclusiveness ... Nowhere is there peace today or understanding ...

“Into this chaos of conflicting, competitive and fighting interests, Christ plans to reappear. I would ask you to contemplate the very real horror of what He has to face, and **the necessity for some measure of order to be brought about in the world ...**

“The major effect of His appearance will surely be to demonstrate in every land the effects of a *spirit of inclusiveness* - an inclusiveness which will be channeled or expressed through Him. All who seek right human relations will be gathered automatically to Him, whether they are in one of the great world religions or not ... **those who embody the spirit of exclusiveness and separativeness will stand automatically and equally revealed and all men will know them for what they are....**

“**To hate, to be separate, and to be exclusive will come to be regarded as the only sin,** for it will be recognized that all the sins - as listed and now regarded as wrong - only stem from hate or from its product, the anti-social consciousness....

“The power of the hierarchical [i.e., spirit realm’s] spiritual impact, focused through Christ and His working disciples, will be so great that the usefulness, the practicality and the naturalness of right human relations will become so evident that world affairs will rapidly be adjusted and **the new era of goodwill and of peace on earth will be inaugurated.** The new culture and the new civilization will then be possible....

“In the presentation of true ‘livingness’ which the Christ will demonstrate to the world of thinking men, **there is necessarily no room for exclusiveness or for separativeness,** because that ‘life more abundantly’ (which He seeks to channel to us) is a free and flowing current, **sweeping away obstructions and barriers,** and establishing an **unimpeded** circulation of truth and life itself - the essential quality of both being *love*....

“The reappearance of Christ will establish the fact of this divine livingness ...

“We would all find it helpful to reflect upon what are the factors recognized in submission and acquiescence. In establishing right human relations, **relinquishment, renunciation, submission to existent facts, and obedient acquiescence to divine law are all involved.**” —the seducing spirit calling itself Djwhal Khul (Parentheses in the original; bold

added)<sup>85</sup>

“Showing himself that he is God” with the “power and signs and lying wonders” of Satan, in addition to being given “his power, and his seat, and great authority” by this dragon, the antiChrist Coming One will have no problem enforcing “the demanded sacrifices” and “elimination of hindrances” of his then fully emerged, new world kingdom of Oneness. Besides, how many people are actually going to rebel against this new world’s demanded sacrifices of Oneness given that the masses are *already* “waking up” to their deep hatred of God’s “separative” light of truth in their desire for the Ark of Oneness *today*?

“People everywhere are waking up and beginning to think, and never again can they sink back into the negative condition of the past. There is faith on every hand that a new and better world order is possible and that it is even probable....

“Their demand is for a new governing principle in politics and in education, founded on universally recognized human rights, on the need for spiritual unity and **the need to throw overboard all separative theological attitudes and dogmas** in every field of thought.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>86</sup>

“This is the time of the awakening of humanity.” —Neale Donald Walsch<sup>87</sup>

All who are awakening even now to submission and acquiescence to this emerging counterfeit kingdom of God (Emerging One Church) are already automatically denying that God’s Word is truth and the Word of God; are already automatically denying the truth of God and of the Lord Jesus Christ; and are already automatically denying the witness that God has given the world of His Son, thereby making God out to be a liar. These are among the unavoidable, demanded spiritual sacrifices of Oneness. All who board this Ark of Oneness will have finally succeeded in emerging out of— or breaking free from—the true knowledge of God with its confining boundaries of God’s Holy Scriptures and true Christian faith.

### **Emerging out of the Sea**

According to the dictionary, “*emerge*” means “*to rise out of a fluid or other covering or surrounding substance; as, to emerge from the water or from the ocean.*”<sup>88</sup> It is an interesting “coincidence” that God’s Word says in Revelation 13:1 that “the beast”—the coming antiChrist and his kingdom—will “*rise up out of the sea.*” It is an interesting “coincidence” that the metaphor of an “Ark,” a sea and ocean vessel, has been chosen by builders of the spiritual platform of this Coming One’s new world kingdom. It is an interesting “coincidence” that God’s Word says in Isaiah 11:9 that “the earth shall be full of the knowledge of the LORD, *as the waters cover the sea,*” and it is *these spiritual waters—this very knowledge of the true Lord God*—that humanity is trying to *deliver itself from* within its spiritual Ark of Oneness!

The Emerging One Church (the universal, new world religion/kingdom) has been craftily presented in such a way as to hide its true identity from its targets in *Christianity*. No, it isn’t really about targeting the world to be “churched.” The god of this world has the world right where he wants it. Lucifer’s prey is those in today’s Christianity who aren’t rooted in the faith and therefore easily devoured after they’ve unwarily walked right into his “Christianized” or “Christ-ized” traps. Darkness loves masquerading as light. Counterfeiting truth is an effective means of deceiving and gaining control of all who are not rooted in the knowledge of God’s truth.

Those who are casting aside the doctrine of Christ are easy prey. They are unwarily walking right into our enemy’s trap of following his New Age “Christ” who requires no doctrinal beliefs. Those who are casting aside the scriptural knowledge of God are easy prey. They are unwarily walking right into our enemy’s trap of believing that the difference between religions is nothing more than different “worship styles,” “interpretations of truth,” and “experiences” of “the same God.” Those who are meditating to know God through spiritual experience are easy prey. They are unwarily walking right into our

enemy's trap of entering his expressway to Oneness with "God" and its mysteries of Being "as God." Whether every person specifically comes to believe they are "divine" or not, choosing to rely on the "authority" of their own relative experiences, dreams, visions, and preferences, etcetera, to decide for *themselves* what is true or false and right or wrong replaces God's Word of truth with relativism. This casts aside the authority of God and His absolute truth in favor of exalting the "authority" of Self. In essence, this follows Lucifer's example of exalting himself to "be like the Most High" (Isaiah 14:12-14).

Many are following Lucifer's example of wanting to be their own authority (god). Many are heedlessly walking into Lucifer's traps. And when Lucifer's "signs and lying wonders" launch in full force, the very bewitched and apathetically ignorant world will inevitably end up *worshipping* Lucifer (the dragon, Satan), along with his Coming One (the beast).

*"And I saw one of his heads as it were wounded to death; and his deadly wound was healed and **all the world** wondered after the beast. **And they worshipped the dragon** which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast?... **If any man have an ear, let him hear.**" (Revelation 13:3-4, 9)*

As was Lucifer's purpose, the belief of his universal, new world religion that "There is no Religion higher than Truth" is devouring today's indifferent, armor-shunning Christianity, which has become an easy prey for the dragon's new world kingdom. People are already departing from the faith to believe the dragon's New Spirituality (New Age faith) of the Emerging One Church. People are already departing from the living God to believe in the dragon's New Age counterfeit "One God" of many religions, theologies ("concepts"), paths, and names. People are already departing from the *Christian* faith which follows the Lord Jesus Christ to become *Christ-followers* of the dragon's universal, New Age counterfeit "Christ" of many religions, doctrines ("understandings"), paths, and names.

Regardless of the purpose to bring the world together in love, brotherhood, goodwill, and peace, this New Spirituality transformation of humanity is bringing all the gods (*idols*) of the nations and people together as the true Lord God's equal—to "be like the Most High." Humanity's Ark of Oneness is a deadly spiritual Titanic.

*"Remember the former things of old: for I am God, and there is none else; I am God, and there is none like me." (Isaiah 46:9)*

*"For all the gods of the nations are idols: but the LORD made the heavens." (Psalm 96:5)*

*"For all the gods of the people are idols: but the LORD made the heavens." (1 Chronicles 16:26)*

*"But the LORD is the true God, he is the living God, and an everlasting king: at his wrath the earth shall tremble, and the nations shall not be able to abide his indignation. Thus shall ye say unto them, The gods that have not made the heavens and the earth, even they shall perish from the earth, and from under these heavens.... They are vanity, and the work of errors: in the time of their visitation they shall perish." (Jeremiah 10:10-11, 15)*

*"Thou shalt not bow down to their gods, nor serve them, nor do after their works ..." (Exodus 23:24)*

*"And it shall be, if thou do at all forget the LORD thy God, and walk after other gods, and serve them, and worship them, I testify against you this day that ye shall surely perish." (Deuteronomy 8:19)*

*"For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God: Lest thou make a covenant with the inhabitants of the land, and they go a-whoring after their gods ..." (Exodus 34:14-15)*

*“For, lo, they that are far from thee shall perish: thou hast destroyed all them that go a-whoring from thee.” (Psalm 73:27)*

*“Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God.” (Hebrews 3:12)*

Humanity views the knowledge of the living God as a threat, because humanity hates God’s reproof of its own preferred ways. So what is humanity’s solution? To get right with God and avoid His condemnation by repenting and forsaking its own ways to obey God’s ways (e.g., see Isaiah 55:6-9)? No, humanity’s rebellious solution is to build a spiritual Ark *to protect itself from the fountain of living waters* and provide a safe haven for all humanity in all of its theological diversity to come together as One to *rethink God*. After all, there’s safety in numbers, or Oneness, right?

**“The New Spirituality is a civil rights movement for the soul, freeing humanity at last from the oppression of its belief in a separate, angry, violent, and fearful God....**

**“A New Spirituality truly is emerging** upon the earth, and the idea of **Oneness is at its core....**

“This New Spirituality, to make it clear once again, seeks not to replace the present religions of humanity but to expand them, not to remove them but to refresh them, not to reject them but to reinvigorate them with larger truth and greater relevance for a New Millennium....

“It’s the same old stories about God and about Life that are killing you. The same old thoughts, the same old words, the same old deeds....

“We human beings do not need to be saved from the ‘snares of the Devil,’ we need to be saved from ourselves. We are threatening to condemn ourselves to Hell right here on the earth. We can yet create Heaven on earth, but we must choose now very wisely.

“We must choose between ancient myths, age-old cultural stories, and outdated theologies, or new truths, greater wisdoms, and grander visions of a God and a World united, expressing as One, projecting the glory of Life itself *into* life itself, and producing the possibility, at last, of a New Way of Life for All Humanity.” —Neale Donald Walsch (Bold added)<sup>89</sup>

Fearing the waters of God, and thinking it is remembering the lesson of God’s flood, humanity is making sure its Ark of Oneness is “waterproof.” This waterproof Ark is to “free” humanity from the “oppression” of God and His ways so that humanity, at long last, can achieve its ever-elusive, unproved and unrestricted New Way of Life.

“Imagine a life without fear of God and without guilt over the tiniest infraction of what you imagine to be God’s Rules!

“Imagine the freedom of soul and mind and body that would be experienced when you understand at last that you really *are* One with God! Imagine the power that you would experience—the power to create the life of your dreams, and to assist others in creating theirs!” —Neale Donald Walsch<sup>90</sup>

Aboard this Ark of peace and safety, humanity will finally have the “freedom” to be able to believe and do whatever is right in its own eyes and dreams. Its intention is that only those who do not board its Ark and remain outside in the “great heresy of separateness”—separated from humanity and its new “God” of Oneness—will be judged in the coming storm.

“The winds will blow upon it and the rain will beat against it, but with no effect. The world will wash away and yet this house will stand forever, for its strength lies not within itself alone. It is an ark of safety, resting on God’s promise that His Son is safe forever in Himself. What gap can interpose itself between the safety of this shelter and its Source?” —the seducing spirit calling itself “Jesus”<sup>91</sup>

“If you were one with God and recognized this oneness, you would know **His power is yours.**” —the seducing spirit calling itself “Jesus” (Bold added)<sup>92</sup>

“The point of having a God is to use the essence and the energy that IS God, and that is *life*, in a way that allows you to create your own experience, thereby **becoming as God is: the creator.**” —Neale Donald Walsch (Bold added)<sup>93</sup>

“The twenty-first century will be the time of awakening, of meeting The Creator Within. Many beings will experience Oneness with God and with all of life. This will be the beginning of **the golden age of the New Human** ...

“There are many such people in the world now—teachers and messengers, Masters and visionaries—who are placing this vision before humankind and offering tools with which to create it. These messengers and visionaries are **the heralds of a New Age.**” —the seducing spirit calling itself “God” (Bold added)<sup>94</sup>

No matter how powerfully humanity desires to create the life of its dreams and visions, it will *never* succeed in becoming as God is. Nor will humanity *ever* succeed in re-creating itself into anything other than what it is: a fallen, innately sinful, never-to-be-divine humanity in dire need of the Lord Jesus Christ’s salvation from sin and wrathful judgment.

“And **Jesus** came and spake unto them, saying, **All power** is given unto **me** in heaven and in earth.” (Matthew 28:18)

“There is none that understandeth, there is none that seeketh after God. They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no, not one.... For all have sinned, and come short of the glory of God.” (Romans 3:11-12, 23)

“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.” (Romans 6:23)

“This is a faithful saying, and worthy of all acceptance, that Christ Jesus came into the world to save sinners ...” (1 Timothy 1:15)

“The Father loveth the Son, and hath given all things into his hand. He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.” (John 3:35-36)

No one listened to Noah when he built the Ark of God. But now, with the building of this new Ark of *humanity*, the world and churches are all ears. Multitudes are willing to put their faith in humanity and its New Age false “God” of “Oneness;” multitudes will board this spiritual Ark. But this time it won’t be those who remain separated from the Ark who will face God’s judgment. This time, God’s wrathful judgment is coming for *the Ark*.

### **Humanity’s Ark of Oneness: Waterproof, but not Fireproof**

Those who board humanity’s emerging Ark of Oneness are in for a sudden and *very real awakening*. Aboard their waterproof Ark, humanity’s rebellious masses will indeed find temporary “shelter” away from the water of the knowledge of the living God. But the very process of making their Ark *waterproof* will prevent it from being *fireproof*.

The very Person humanity must deny to be spiritual enough to board its Ark is the very Person Who will execute judgment upon it in *flaming fire*. The occupants of this Ark will have no escape from the fiery destruction of *the one and only Lord Jesus Christ*. Ironically, the only water that could put out this fire is the living waters of God that humanity is *fleeing from* aboard its Ark, and this flight of humanity from God’s living waters is *the very reason* this fire is coming in the first place! Yet there will be no safety in numbers, or “Oneness,” here. The Lord Jesus Christ is coming in the power and judgment of Almighty God.

“For when they shall say, *Peace and safety*; then sudden destruction cometh upon them,

as travail upon a woman with child; and they shall not escape.” (1 Thessalonians 5:3)

“And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels, **in flaming fire** taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power.” (2 Thessalonians 1:7-9)

Having separated itself from the waters of the knowledge of the true God and His Son the Lord Jesus Christ, humanity will have no escape from the fiery judgment of God. Ironically, the whole purpose of this Ark of Oneness is to eliminate all “separation,” but, along with having separated Christ from the Person of the Lord Jesus, having separated itself from the true and living God is the very thing that will destroy humanity in the end, again. This is why humanity perished the first time, in God’s flood.

“There is a way that seemeth right unto a man, but the end thereof are the ways of death.” (Proverbs 16:25)

“Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.” (Matthew 7:13-14)

“**Jesus** saith unto him, **I am the way**, the truth, and the life: **no man** cometh unto the Father, but by **me**.” (John 14:6)

“...Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.” (John 7:37-38)

“Jesus answered and said ... But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.” (John 4:13-14)

“And this is the record, that God hath given to us eternal life, and **this life is in his Son**. He that hath the Son hath life; and he that hath not the Son of God hath not life.” (1 John 5:11-12)

“**And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth.**” (Matthew 28:18)

The Lord Jesus Christ is worthy to bring judgment because *the Lord Jesus Christ is the Person* Who died for the sins of the world to give *everyone* the chance to receive God’s free gift of eternal life. And *the Lord Jesus Christ is the Person* humanity has despised and mocked and continues to spurn and deny to this day.

“For the Father judgeth no man, but hath committed all judgment unto the Son: That all men should honour the Son, even as they honour the Father. He that honoureth not the Son honoureth not the Father which hath sent him.” (John 5:22-23)

“But these are written, that ye might believe that **Jesus is the Christ, the Son of God**; and that believing ye might have life through **his name**.” (John 20:31)

“Be it known unto you all, and to all the people of Israel, that by **the name of Jesus Christ** of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole. This is the stone which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other: for there is none other **name** under heaven given among men, whereby we must be saved.” (Acts 4:10-12)

“And **he** is the propitiation for our sins: and not for ours only, but also for the sins of **the whole world**.” (1 John 2:2)

*“Wherefore God also hath highly exalted him, and given him **a name which is above every name**: That **at the name of Jesus** every knee should bow, of things in heaven, and things in earth, and things under the earth; and that every tongue should confess that **Jesus Christ is Lord**, to the glory of God the Father.” (Philippians 2:9-11)*

*“And ye shall be hated of all men for **my name's** sake: but he that endureth to the end shall be saved.” (Matthew 10:22)*

The Lord Jesus Christ *alone* is the Person Who has been given the name “whereby we *must* be saved.” Claiming that people in other religions can be *Christ*-followers without needing to know *Jesus* not only separates *Christ* from the Person of *the Lord Jesus*, but it also separates these “*Christ*-followers” from the crucifixion and resurrection of the Lord Jesus Christ.

And no, believing that *Jesus* is the one and only *Christ* is *not* a misguided belief stemming from the misguided thinking that *Christ* is the “*last name*” of *Jesus*. This ignorant criticism of steadfast Christians stems from a lack of knowledge of God’s Word, which, by the way, not only refers to *Jesus* as “*Jesus Christ*” but also as “*Christ Jesus*.” That any of this even has to be explained is a *serious* sign of the times. The one and only *Person* of *Jesus* is *Himself* the one and only *Christ* because the status of *Christ* is given by *God alone* and to *Jesus alone* because *Jesus alone* was *crucified* for the world’s sins and then *resurrected* from the dead. *No one else* ever has been or ever will be *Christ*. They are only “*false Christs*” of whom the Lord Jesus Christ Himself warned us against (see Matthew 24:23-27).

*“Therefore let all the house of Israel know assuredly, that God hath made **that same Jesus**, whom ye have crucified, **both Lord and Christ**. Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, Repent, and be baptized every one of you **in the name of Jesus Christ** for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, **and to all that are afar off**, even as many as the Lord our God shall call.” (Acts 2:36-39)*

*“For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God **in the face of Jesus Christ**.” (2 Corinthians 4:6)*

*“That if thou shalt confess with thy mouth **the Lord Jesus**, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed. For there is no difference between the Jew and the Greek: for **the same Lord over all** is rich unto all that call upon **him**. For whosoever shall call upon **the name** of the Lord shall be saved.” (Romans 10:9-13)*

*“And from **Jesus Christ**, who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood.” (Revelation 1:5)*

*“In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace.” (Ephesians 1:7)*

Attributing “*Christ*” to anyone *else* other than the one and only *Person* of *Jesus* *bypasses* the crucifixion and resurrection of *Jesus*, which is the one and only God-given means by which God forgives our sins and gives us salvation. Even those in today’s Christianity who believe that they themselves are still followers of *Jesus* but that people in other religions can have their own interpretations, concepts, and names for *Christ* are *still separating* *Christ* from the *Person* of *Jesus*. This makes different persons into “*Christ*” who are *not* the one and only *Person* of *Jesus*, and thereby *bypasses* the crucifixion and resurrection of *Jesus* for those in other religions.

This relativism not only denies that *Jesus Christ is the Person and the name* “given among men, whereby we *must* be saved,” but this relativism also says that there *are* other alternatives under heaven given among other religions and cultures who have no knowledge of Jesus; therefore salvation *can* be found in any other. For the sake of Oneness with a faithless world, this relativism dethrones Jesus Christ as *the Lord to Whom every knee shall bow*, and rethinks Him into merely an *optional* Saviour. The source of this relativistic faith that openly opposes the Word of God is literally Lucifer’s doctrines of devils.

“**The Name of Jesus Christ** as such **is but a symbol**. But it stands for love that is not of this world. It is a symbol that is safely used as a replacement for the many names of all the gods to which you pray...

“**Are other teachers possible, to lead the way to those who speak in different tongues and appeal to different symbols? Certainly there are.** Would God leave anyone without a very present help in time of trouble; a saviour who can **symbolise** Himself? Yet do we need a many-faceted curriculum, not because of content differences, but because **symbols must shift and change to suit the need.**” —the seducing spirit calling itself “Jesus” (Bold added)<sup>95</sup>

This relativism denies *the Lord Jesus Christ* and follows this New Age false “Jesus” of the spirit realm. This path leads to “Oneness” with the New Age false “God,” and eternal separation from the true and living God. “There is no other way, no other truth, no other life, and no other name by which we can approach God. The Lord Jesus Christ is neither ‘a better way’ nor ‘another way;’ He is the *only* way.”<sup>96</sup> The Word of God makes this absolutely clear.

“*If we suffer, we shall also reign with him: **if we deny him, he also will deny us:** If we believe not, yet he abideth faithful: he cannot deny himself.*” (2 Timothy 2:12-13)

“*Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven. But **whosoever shall deny me before men, him will I also deny before my Father which is in heaven.***” (Matthew 10:32-33)

“*Who is a liar but he that **denieth that Jesus is the Christ?** He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, **the same hath not the Father:** [but] he that acknowledgeth the Son hath the Father also.” (1 John 2:22-23; brackets in the original)*

“*Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, **far above all principality, and power, and might, and dominion, and every name that is named,** not only in this world, but also in that which is to come.*” (Ephesians 1:20-21)

The truth of the Lord Jesus Christ is absolute, regardless of what humanity believes is true and right in its own eyes.

Preferring the relativism of its *own way* over the Lord Jesus Christ, humanity is rejecting the *love* of God that put His Son on the cross to save us from our sins that keep us from God and deserve God’s judgment.

“*All we like sheep have gone astray; we have turned every one to **his own way;** and the LORD hath laid on him the iniquity of us all.*” (Isaiah 53:6)

“*But God commendeth his **love** toward us, in that, while we were yet sinners, Christ died for us. Much more then, being now justified by his blood, we shall be saved from wrath **through him.***” (Romans 5:8-9)

Even so, humanity prefers to believe that if Jesus is the *only* way to God then God is “*unlovingly*” forsaking those in other countries and religions whose “culture” doesn’t teach them about Jesus.

Therefore humanity prefers to *rethink* what it believes about God. It isn't that the God of love hasn't provided the means of salvation for *everyone* in the world; rather, it is that humanity doesn't want anything to do with the means God has capably and universally provided. The hand of the all-knowing, all-powerful, Almighty Creator of the universe is not too weak or too short to save all people through His Son the Lord Jesus Christ no matter where they live in the world! The fact is that humanity is simply trying to justify its willful rebellion against the truth of the Lord Jesus Christ by rethinking Him into an *optional* "symbol" of God.

Humanity and its Emerging One Church (universal, new world religion) can rethink the truth of God all they want. They can utilize every resource existing in the world to rethink the truth of God. They can bring together every single one of the best and brightest minds and "wise persons" on the planet to rethink the truth of God. They can exterminate every single person on the planet who holds fast to the unchanging truth of God and His Word. *None of this would cause the slightest smidgen of change to Who the true God really is.* No matter how hard it tries, *humanity cannot re-create its own Creator!*

What humanity believes about God has *absolutely no bearing whatsoever* on Who God *really is*. Humanity doesn't suddenly decide to *rethink, reimagine, reinvent, and re-create* Who God is, and poof!—the nature of God is suddenly and magically transformed into a "God" of humanity's own creative imaginings. Just because humanity thinks it is "insane" to believe in the just and righteous, living God Who will hold the world that *He created* accountable for its lack of faith and obedience toward its Creator and judge it with fire, *in no way whatsoever* changes the *reality* of God's coming judgment. This isn't "hate;" it's *the truth of Who God really is*. Yet everyone who wants freedom to continue in "*his own way*" prefers to see the light of God as hate, not truth.

*"Because I have called, and ye refused; I have stretched out my hand, and no man regarded; but ye have set at nought all my counsel, and would none of my reproof ... Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me: for that they hated knowledge, and did not choose the fear of the LORD: They would none of my counsel: they despised all my reproof. **Therefore shall they eat of the fruit of their own way, and be filled with their own devices.**" (Proverbs 1:24-25, 28-31)*

Having found freedom from the "box" of God's Word of truth, humanity will have boarded a *tinderbox*. Dire consequences await both those who board this New Age Ark and those who refuse. The coming choice is either board the New Age Ark of Oneness and lose your soul, or don't board the Ark and lose your life—barring God's intervention.

### **The True and Living God is not Willing that Any Should Perish Eternally: The Choice is Yours**

*"Whosoever denieth the Son, the same hath not the Father: [but] he that acknowledgeth the Son hath the Father also. Let that therefore abide in you, which ye have heard from the beginning. **If that which ye have heard from the beginning shall remain in you, ye also shall continue in the Son, and in the Father.** And this is the promise that he hath promised us, even eternal life. These things have I written unto you concerning them that seduce you." (1 John 2:23-26; brackets in the original)*

If you believe that you can heedlessly dismiss any and all warnings because you are looking for the Lord Jesus Christ to return to take you out of the world first, be forewarned. He will not be returning for anyone who is already choosing to deny Him and His Word of truth in order to follow after the new world, its Emerging One Church, and its false "Christ" of Oneness. Before God, the choice is *already* being given.

*"For what is a man advantaged, if he gain the whole world, and lose himself, or be cast away? For **whosoever shall be ashamed of me and of my words**, of him shall the Son*

*of man be ashamed, when he shall come in his own glory, and in his Father's, and of the holy angels." (Luke 9:25-26)*

If you believe that you can heedlessly dismiss any and all warnings because you believe Christians are immune from deception, be forewarned. We are told to “*examine*” ourselves to make sure we really are “*in the faith*” (see 2 Corinthians 13:5). Casting aside the *belief* and *love* of the truth to become inclusive of false religions (faiths) and false gods and false “*truth*” in the pursuit of peace and unity with the world will result in being given “*strong delusion*” by *God Himself* from which there will be *no saving*.

*“And with all deceivableness of unrighteousness in them that perish; **because they received not the love of the truth**, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned **who believed not the truth, but had pleasure in unrighteousness.**” (2 Thessalonians 2:10-12)*

If you believe that you can heedlessly dismiss any and all warnings because you are on “*a spiritual journey to God,*” be forewarned. The destination of your faith is determined by your source of faith. Only one source of faith gives God’s salvation: God’s Word of truth. Is your source of faith God’s Word of truth or spiritual experiences and doctrines of devils? Your source of faith is revealed by your attire. Does your wardrobe consist of the “*outdated,*” “*irrelevant,*” spiritually-correct armor of God (Christian faith)? Or does it consist of the stylish, “*relevant,*” culturally-correct clothes of the New Spirituality designed to be more suitable to wear in the emerging new world of spiritual Oneness? Your source of faith is further revealed by your response to God’s Word of truth. Do you *believe* and *love* the truth and therefore deny yourself the ways and teachings of unrighteousness (i.e., whatever is contrary to God’s Word of truth)? Or does this seem passé in light of the New Spirituality which has redefined truth, love, faith, and righteousness; has replaced belief and knowledge with experience; and has given its followers the freedom to decide for themselves what is right and wrong?

*“Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.” (Colossians 2:8)*

*“For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning. For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the holy commandment delivered unto them. But it is happened unto them according to the true proverb, The dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire.” (2 Peter 2:20-22)*

*“For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it.” (Hebrews 4:2)*

If you believe that you can heedlessly dismiss any and all warnings because the New Spirituality has global and pastoral support, be forewarned. Remember the flood and Noah’s Ark. First, only eight people in the entire world were saved (Genesis 7:13-23; 1 Peter 3:20; & 2 Peter 2:5). (If you don’t believe this is true, your unbelief reveals that the source of your faith is not God’s Word of truth.) Second, it is highly unlikely that Noah was the *only* preacher on the face of the earth. However, he was clearly the only “*preacher of righteousness*” in God’s eyes. God Himself defines righteousness and truth which He has clearly set forth for us in His Word of truth. Before God, there is no safety in numbers or credentials.

*“But there were false prophets also among the people, even as there shall be false teachers **among you**, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And **many** shall follow their*

pernicious ways; **by reason of whom the way of truth shall be evil spoken of.** And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not. For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; **and spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;** and turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an example unto those that after should live ungodly.” (2 Peter 2:1-6)

Where is your faith taking you? Are you following after the Lord Jesus Christ on His narrow way of truth that is “evil spoken of” and now hated even among those who claim to be following Him? Do you gladly wear His brand of shame, even in today’s professing Christianity? Or are you spending your time following after the teachers, leaders, pastors, and others who are casting aside the knowledge of truth in their pursuit of the unity and Oneness badge of honor?

“Thou shalt not follow a multitude to do evil; neither shalt thou speak in a cause to decline after many to wrest judgment.” (Exodus 23:2)

“And he said unto them, He that hath ears to hear, let him hear.... The sower soweth the word.... And these are they likewise which are sown on stony ground; who, when they have heard the word, immediately receive it with gladness; and **have no root** in themselves, and so endure but for a time: afterward, **when affliction or persecution ariseth for the word’s sake, immediately they are offended.**” (Mark 4:9, 14, 16-17)

“How can ye believe, which receive honour one of another, and seek not the honour that cometh from God only?” (John 5:44)

“Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf.” (1 Peter 4:16)

“...and when they had called the apostles, and beaten them, they commanded that they should not speak in **the name of Jesus**, and let them go. And they departed from the presence of the council, **rejoicing that they were counted worthy to suffer shame for his name.** And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ.” (Acts 5:40-42)

Where is your faith taking you? Are you separating yourself unto God in your life now? Do you willingly bow before the throne of the Lord Jesus Christ now? Or do you identify with the New Spirituality and its Emerging One Church? Are you in the process of becoming spiritually One enough to board the Ark of humanity?

“Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. **Wherefore come out from among them, and be ye separate, saith the Lord,** and touch not the unclean thing; and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh **and spirit**, perfecting holiness in the fear of God.” (2 Corinthians 6:14-7:1)

Where is your faith taking you? Are you becoming an “experimenter” rather than a believer? Are you a Christian, a follower of the Lord Jesus Christ whose doctrine must be believed to have both Him and God? Or are you becoming a “Christ-follower” of the false “Christ” whose false gospel says, “There is no Religion higher than Truth,” and therefore “every man should be free to worship God

in his own way” and “we must welcome Truth wherever it may be found, *without partiality for any one belief as against another*”?

“For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.” (Isaiah 55:8)

“Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.” (Matthew 7:21)

“Jesus answered and said unto them, This is the work of God, that ye **believe on him** whom he hath sent.” (John 6:29)

“And why call ye me, Lord, Lord, and do not the things which I say?” (Luke 6:46)

“Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. **He that abideth in the doctrine of Christ, he hath both the Father and the Son.**” (2 John 1:9)

Is becoming spiritual enough to board humanity’s Ark of Oneness worth the eternal cost? Right now there is still time to repent and *truly believe* in the one and only Christ Who is the one and only Mediator between God and men, *before it is too late.*

“For God so loved the world, that he gave his only begotten Son, that whosoever **believeth** in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that **believeth** on him is not condemned: but **he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God....** The Father loveth the Son, and hath given all things into his hand. He that **believeth** on the Son hath everlasting life: and he that **believeth not** the Son shall not see life; but the wrath of God abideth on him.” (John 3:16-18, 35-36)

“Then said **Jesus** again unto them, I go my way, and ye shall seek me, and shall die in your sins: whither I go, ye cannot come.... I said therefore unto you, that ye shall die in your sins: **for if ye believe not that I am he, ye shall die in your sins.**” (John 8:21, 24)

“**For this is good and acceptable in the sight of God our Saviour; Who will have all men to be saved, and to come unto the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus; Who gave himself a ransom for all, to be testified in due time.**” (1 Timothy 2:3-6)

If you believe in the Lord Jesus Christ, is your faith rooted enough to help you stand firm in the truth and be faithful to Him even unto death? Take the time to make sure you are attired in “the whole armour of God”—truth, righteousness, the preparation of the gospel of peace, faith, salvation, and the Word of God—“that ye may be able to withstand in the evil day, and having done all, to stand” (Ephesians 6:13-17).

“As newborn babes, desire the sincere milk of **the word**, that ye may grow thereby: If so be ye have tasted that the Lord is gracious.” (1 Peter 2:2-3)

“That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, and what is the exceeding greatness of his power to us-ward who **believe**, according to the working of his mighty power.” (Ephesians 1:17-19)

“As ye have therefore received Christ Jesus the Lord, so walk ye in him: rooted and built up in him, and stablished in **the faith**, as ye have been taught, abounding therein with thanksgiving.” (Colossians 2:6-7)

Sadly, even in today's Christianity many people simply *do not want to* understand God's Word. Frankly, they don't see the point. And neither do they *want to* be set free from their sins. Not only do they not see the need, but they are simply having too much fun, or pleasure, to give up their lack of knowledge of God and His Word, their counterfeit spiritual experiences, and their own preferred way of life. They just do not want to *know*.

*"Be astonished, O ye heavens, at this, and be horribly afraid, be ye very desolate, saith the LORD. For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water."* (Jeremiah 2:12-13)

*"For that they hated knowledge, and did not choose the fear of the LORD: They would none of my counsel: they despised all my reproof. Therefore shall they eat of the fruit of their own way ..."* (Proverbs 1:29-31)

When humanity's Ark of Oneness is completed and its counterfeit Coming One rises to take the helm, will you choose to save your life or your soul? Your choice is already being made by the choices you are making *today*. Please take the time to *scripturally* examine where your faith, or lack of faith (belief), is taking you. The following warnings have been given to us by the Lord Jesus Christ:

*"And when he had called the people unto him with his disciples also, he said unto them, Whosoever will come after me, let him deny himself, and take up his cross, and follow me. For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels."* (Mark 8:34-38)

*"And I say unto you my friends, Be not afraid of them that kill the body, and after that have no more that they can do. But I will forewarn you whom ye shall fear: Fear him, which after he hath killed hath power to cast into hell; yea, I say unto you, Fear him."* (Luke 12:4-5)

**EPILOGUE:**  
**FEARING GLOBAL “DOOM” RATHER THAN GOD,**  
**MANY ARE PLACING THEIR FAITH AND HOPE IN ONENESS**

**“The Largest Movement in the History of the World”**

I was putting what I thought were the finishing touches on this paper when I came across an advertisement for the upcoming movie “THE SHIFT” on Deepak Chopra’s website. In my coverage of this movie and its issues here, I have chosen to go more in depth than was my original intention in order to recap and reiterate the seriousness of the issues and choices that confront us *now*. THE SHIFT, which is being produced by Lighthouse Films Inc., is scheduled to be released this coming Spring 2008.

As seen in its trailer which is nearly 6½ minutes long,<sup>97</sup> this movie is openly supportive of Oneness and the “evolutionary leap” of man, which, in fact, is the leap of New Age faith—otherwise referred to as an “awakening” or “shift” of “the consciousness”—into becoming “as God” through “Oneness with God.” Humanity’s SHIFT to Oneness is deemed “imperative” to avoid “doom” and bring “hope” of solving global and planetary problems. Sound familiar?

During the movie’s trailer, the viewer’s attention is directed to “war,” “genocidal deaths,” “violence,” “starving children,” “mass extinction,” “global warming,” “greed,” “terrorist acts,” “mass destruction,” and the “North Korea threat.” The question, “ARE WE DOOMED?” then appears on the screen, followed by the question, “IS THERE HOPE?” Then Deepak Chopra is heard declaring, “We have arrived at a moment in our evolution where we have to make a choice.” Before Chopra has finished saying this, he is shown with a large banner behind him displaying the words “**the power of oneness**” for all to see.

The builders of the Ark of Oneness want *everyone* to shift their faith (“consciousness”) to the New Age faith that everyone and everything is interconnected in *divine Oneness* and that therefore *all of humanity* is one family in the kingdom of God (Emerging One Church). They want *everyone* to shift their faith to the hope of the New Age faith that if we would just get on board humanity’s spiritual Ark of Oneness then the New Humanity and new world (New Age) will come into being, saving the world from its global problems—injustice will end, poverty will end, starvation and death of children all over the world will end, religious oppression will end, hatred will end, war will end, the spread of AIDS will end, causing harm to the environment will end, climate issues will end, violence will end, terrorist acts will end, nuclear threat will end, ...

To convince everyone to get on board this SHIFT Movement (i.e., Ark of Oneness), the movie uses people from diverse walks of life, including renowned figureheads and leaders such as Deepak Chopra; former Vice-President Al Gore; former Presidential candidate Rep. Dennis Kucinich; Archbishop Desmond Tutu; the Dalai Lama; former President Jimmy Carter; former South African President Nelson Mandela; billionaires Bill Gates, Warren Buffet, and Sir Richard Branson; actors and musicians such as George Clooney and Bono; and the popular New Age leader and author Marianne Williamson (who for many years has been, and is even now on Oprah & Friends,<sup>98</sup> working to shift humanity’s faith to the New Age *Course in Miracles*—i.e., the channeled *Course* in which its seducing spirit calling itself “Jesus” refers to Oneness as the “ark of peace” and “ark of safety”).

This worldwide movement to SHIFT humanity’s faith to Oneness is the “Plan” and the “shift” detailed by the spirit realm through its various chosen spokespersons/channelers, including “the shift” described by the seducing spirit calling itself “God” which channeled its teachings through Neale Donald Walsch.

This SHIFT is far beyond just a “social transformation,” as is claimed. It is the *spiritual* transformation of the New Age Ark of Oneness.

Regardless of the success or lack of success of THE SHIFT movie, the movement itself is succeeding. The shift is *everywhere*. The shift is seen and heard in advertisements, the media, books, music, movies, television shows, cartoons and shows and movies for kids, churches of all shapes and sizes, governments of all sizes from local to global, commerce and businesses from local to global, education from preschool up through colleges and universities and seminaries, religious teachings and practices and conferences, politics, environmentalism and the pervasive “Go Green” campaign, and the list goes on and on and on.

One of the global activists in THE SHIFT movie’s trailer describes this worldwide movement as follows:

“There are more organizations forming themselves all over this planet. It’s in every country. It’s in every economic sector. It’s every kind of person. It’s in every city and there’s no leader, there’s no spokesperson, there’s no ideology. It’s the biggest movement in human history.”<sup>102</sup>

To convey the enormity of this movement in a paper, the entire planet would need to be crammed into a nutshell. One person has tried, though. This “biggest movement in human history” is the same movement described by Paul Hawken, one of many leading global activists pushing for this coming new world. Curious about the movement he himself is a part of, he spent over a decade researching it. He published his admittedly-biased conclusions in his recent book, *Blessed Unrest: How The Largest Movement In The World Came Into Being and Why No One Saw It Coming*. He also described this movement in a speech that has, in part, become a promotional video for this book:

“It is my belief that we are part of a movement that is greater and deeper and broader than we ourselves know or can know. It flies under the radar of the media by and large.... The unnamed movement is the most diverse movement the world has ever seen. The very word movement, I think, is too small to describe it.... It is growing and spreading worldwide, with no exception. It has many roots, but primarily the origins are indigenous culture, the environment, and social justice movements. Those three sectors and their subsectors are intertwining, morphing, enlarging.... This is fundamentally a civil rights movement, a human rights movement.... It is the coming world....

“It’s so new we can’t recognize it.... It is everywhere. There is no center. There’s no one spokesperson. It’s in every country and city on earth. It is within every tribe, every race, every culture, and every ethnic group in the world. This is the first time on earth that a powerful, non-ideological movement has arisen. During the span of the twentieth century, big ideologies were worshipped by religion. They dominated our beliefs.... And we were told that salvation would be found in the domination of a single system. This is where **salvation** will be found [he points at the video listing over 130,000 organizations in the movement].... **It’s found in diversity.**

“**This movement is humanity’s immune response to** resist and heal political disease, economic infection, and ecological corruption caused by **ideologies**. So it is up to us to decide how will we be, who will we be. This is what it is we’re building – the capacity to respond. It is about possibilities and solutions. Humankind knows what to do.” —Paul Hawken<sup>103</sup>

What they’re building is the Ark of Oneness. This movement is anything but “non-ideological.” “The power of oneness,” “evolutionary leaps,” “evolutionary potential,” “an evolutionary shift in our collective consciousness,” “we’re all connected,” “the interconnectedness of life,” “humanity and the planet [are] one organism,” “separateness ... is illusion,” and so on, all belie the propaganda that “there’s no ideology.” There is an *ideology* to this “largest movement in the history of the world.” It

is the spirit realm's *New Age* (New Spirituality) ideology of *Oneness*, which aims to change *your* beliefs about "Who You Really Are."

The spirit realm's Plan has remained unchanged since the Garden of Eden—"then your eyes shall be opened, and ye shall be as gods." The spirit realm is diligently working toward "the emergence of that which is most divine in man"<sup>104</sup> by "shifting your whole idea of Who You Are" through what is supposedly an "evolutionary" "development"/"leap"/"shift" in your "consciousness." Their diabolical diligence is succeeding; the spirit realm has humanity's rapt attention. During THE SHIFT movie's trailer, and after the words "THE SHIFT" appear on the screen, Deepak Chopra declares, "From time to time these evolutionary leaps occur, and it seems like this may be the moment."

"We are in the middle of the biggest social transformation in human history, The SHIFT.... **It involves our very understanding of who we are as human beings**, and our responsibility to the world and to life itself." —THE SHIFT Movie Info (Bold added)<sup>105</sup>

"[A] worldwide gathering of ordinary and extraordinary people are **reconstituting the notion of what it means to be a human being**. While they are organizing themselves into the largest movement in the history of the world, the movement only happens one person at a time." —Paul Hawken (Bold added)<sup>106</sup>

"There will be chaos before the shift. This is natural in advance of any shift of this proportion. For you are not merely changing your way of doing things, **you are shifting your whole idea of Who You Are, as a person**, as a collection of nations, as a species." —the seducing spirit calling itself "God" (Bold added)<sup>107</sup>

The serpent and his minions have clearly been working overtime to complete their spiritual bewitching of humanity in preparation for this swiftly emerging global SHIFT to Oneness. They don't have much left to do now that humanity is desirous of the forbidden fruit and sees it as Eve did—as "good for food," "pleasant to the eyes," and "desired to make one wise." And as discussed earlier, the spirit realm's most effective bewitching tool designed to achieve this "divine purpose" is meditation, with its ever-popular and widely-varying methods. The resulting *open-minded pliability* of meditation's bewitched practitioners *clears the way* for the spirit realm to easily guide them into shifting their "consciousness" (faith) to the "reality" of Oneness.

"...**the Plan is one of evolutionary development** ..." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>108</sup>

"Man is a point of divine light, hidden within a number of enveloping sheaths ... [T]hrough right discipline and meditation 'that which obscures the light is gradually removed,' ...

"**Meditation** is, therefore, an ordered process whereby a man finds God. It is a system, well-tried out and much used, which unfailingly reveals the divine.... It is **a part of the evolutionary process**, as we have seen, and like all else in nature it is slow but sure, and unailing in its results....

"**Steadily his center of consciousness has shifted ... Through all methods employed runs the golden thread of divine purpose**, and the way by which the transfer of the human consciousness into that of soul realization and soul awareness is effected is that of meditation." —Alice Bailey (Bold added)<sup>109</sup>

"In contemplation, a higher agent enters in. *It is the Soul that contemplates*. The human consciousness ceases its activity and **the man becomes what he is in reality** - a soul, **a fragment of divinity, conscious of its essential oneness with Deity**." —Alice Bailey (Bold added)<sup>110</sup>

In a nutshell, this "soul realization" and "soul awareness" that meditation leads its practitioners into is simply the "realization" and "awareness" that everyone's soul is "One with God" and therefore "divine." As mentioned earlier, Oneness embraces panentheism—that God, or "Deity," is in everyone

and everything, and everyone and everything are in God. This New Age New Spirituality's misunderstanding of Acts 17:28 is the "emergence and meaning" behind the *spiritual* SHIFT to Oneness. This is the spirit realm's Plan.

"[T]he third result of meditation is that we find **God. It is relatively unimportant what we mean in detail by that little word of three letters.** It is but a symbol of Reality.... [L]et us regard **Deity as that in which we live and move and have our being,** and which is working out through every form in nature (including the human form), His own **inclusive and synthetic Plan.**" —Alice Bailey (Parentheses in the original; bold added)<sup>111</sup>

"To the spiritual Hierarchy [the spirit realm], **the Plan** involves those arrangements or circumstances which **will raise and expand the consciousness of mankind** and enable men, therefore, to discover the spiritual values *for themselves* and to make the needed changes *of their own free will*, and thus **produce the demanded betterment of the environment, consistent with the unfolding spiritual recognition.**" —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>112</sup>

"The entire history of evolving humanity might be considered from the angle of **this Plan** concept, and the focus of interest might be noted to be that of **a growing consciousness in man of a Universe which is a revelation of a Life and of Deity,** and in which mankind plays its part in the greater Whole." —Alice Bailey (Bold added)<sup>113</sup>

"It is this revelation of Deity that is the goal of the mystical endeavor ... Through it [meditation], **he later discovers his relation to the universe; he finds that his physical body and his vital energies are part and parcel of Nature itself, which is, in fact, the outer garment of Deity** ... In fact, he arrives at God and discovers God as the central Fact. **Knowing himself to be divine, he finds the whole is equally divine.**" —Alice Bailey (Bold added)<sup>114</sup>

Blindly following the spirit realm's Plan, today's truth-rejecting humanity is shifting its faith to New Age beliefs regarding humanity's relationship, or "connection," to God and to each other, as well as to nature/the environment/the planet. Unquestionably, Oneness supersedes the truth in this emerging new world where this "divine" "interconnectedness of life" (i.e., panentheism) is being "scientifically" and mystically "discovered" or "awakened" to by an easily deceived humanity.

"Although greatly resisted by orthodox religion, the explosion of scientific discovery that revealed **the interconnectedness of life** set off a parallel philosophical search for its meaning.... If there is a web of life, if human beings are a part of a vast living system, what are the moral implications? **How could anyone claim absolute knowledge of the truth?**" —Paul Hawken (Bold added)<sup>115</sup>

"Compassion and love of others are at the heart of all religions, and at the heart of this movement." —Paul Hawken<sup>116</sup>

"According to immunologist Gerald Callahan, faith and love are literally buried in our genes and lymphocytes, and what it takes to arrest our descent into chaos is **one person after another remembering who and where they really are.**" —Paul Hawken (Bold added)<sup>117</sup>

"How many new stories and groups will it take before the world recognizes its **evolutionary potential ...?**" —Paul Hawken (Bold added)<sup>118</sup>

"*We are* nature ... *We live* in community, not alone, and **any sense of separateness that we harbor is illusion....**

"Life is astonishingly connected ... " —Paul Hawken (Bold added)<sup>119</sup>

"Just as the human body cannot be explained or managed by conventional means, neither can humanity.... *Something* operates us, but what? Is it not the free flow of brilliant and ancient information, an involuntary and endemic **intelligence** freely exchanged **on the cellular and intracellular level?** This is the system in which we should place our faith,

because it is the only one that has ever worked eternally. **If this enlightening, enlivening pulse is God**, then may we get on our knees and give thanks night and day. If it is Allah, may we face the east five times between sunup and sundown and humble ourselves. If it is Yahweh, may we touch the Holy Wall and shed tears of gratitude. If it is biology, may science touch the sacred. I believe it is all of these, but **whatever it may be to each person, and however we name it, it is not knowable.**” —Paul Hawken (Bold added)<sup>120</sup>

Having rejected the *knowledge of the true God and His absolute truth*, humanity’s choice for faith, hope, salvation, and life is Oneness. This is why humanity is building its waterproof spiritual Ark. In Oneness, there is “unity in diversity” where no one is excluded from “God” and everyone has the “freedom” to believe what they want.

“Imagine the freedom of soul and mind and body that would be experienced when you understand at last that you really *are* One with God!” —Neale Donald Walsch<sup>121</sup>

Since everyone is “One with God,” “God” is within everyone and thus everyone has “the same God.” Therefore, there is *unity* in everyone’s *diverse* beliefs (“interpretations”) and names and experiences of “God” because it’s all “*the same God*” *within everyone*. Hence, in this “divine” “interconnectedness of life,” Oneness “honor[s] diversity, but not division.” That is, it honors the “unity in diversity” of Oneness, but not the division of believing the absolute truth of the true God. Consequently, underneath the compassion, love, and justice rhetoric, the goal of this movement, or “global immune system,” is to purge the world of divisive ideologies and fundamentalisms that are “cancerous” to Oneness. Although Hawken is probably unaware of the ultimate ramifications, his conclusions parallel the Plan of the spirit realm. As he points out, “It is the coming world.”

“It [this book/movement] is about people who want to save the entire sacred, cellular basis of existence—the entire planet and all its inconceivable diversity.” —Paul Hawken<sup>122</sup>

“The ultimate purpose of a **global immune system** is to **identify what is not life affirming** and to **contain, neutralize, or eliminate it.**” —Paul Hawken (Bold added)<sup>123</sup>

“**Ideologies exclude** openness, diversity, resiliency, and multiplicity, **the very qualities that nourish life** in any system, be it ecosystem, immune system, or social system.” —Paul Hawken (Bold added)<sup>124</sup>

“David James Duncan penned a response to the **hostile takeover of Christianity by fundamentalists**, with advice that applies to all fundamentalisms: the people of the world do not need religious fanatics to save them ... they need *us* for their salvation, and *us* stands for the crazy-quilt assemblage of global humanity that is willing to stand up to the raw, **cancerous** insults that come from ... ideologues ...” —Paul Hawken (Bold added)<sup>125</sup>

“This book asks whether a significant portion of humanity has found a new series of adaptive traits and stories more alluring than **the ideological fundamentalisms that have caused us so much suffering.**” —Paul Hawken (Bold added)<sup>126</sup>

“This is where salvation will be found ... It’s found in diversity.” —Paul Hawken<sup>127</sup>

“Hundreds of thousands of small groups are trying to ignite an array of ideas in the world, fanning them like embers. Ideas are living things; they can be changed and adapted, and can grow. Ideas do not belong to anyone, and **require no approval.**” —Paul Hawken (Bold added)<sup>128</sup>

“Ideas” are more alluring than the truth to those desiring the freedom to believe and do whatever is right in their own eyes. The shift from the truth to “ideas” is also transforming today’s Christianity in this “biggest movement in human history,” and includes rethinking, reimagining, reinventing, and re-creating Who God is.

The attempt to “save” the world through the unity in diversity of Oneness will inevitably bring the

implementation of “new laws,” or the “demanded sacrifices,” to eliminate hindrances to Oneness (“soul unification”).

“Two sets of principles are to be found controlling human life - the selfish and the unselfish, the individual good and the group good, the objective goal and the subjective goal, the material incentive and the spiritual impulse, national patriotism and the world ideal, separative religious belief and the federation of religions ... A balancing of the two will gradually take place, with **the weight of world idealism gradually shifting into the realm of soul unification** ... **Therefore we can look for the new laws**, governing soul life, which is group life, to begin to function and make their presence felt. **This will at first increase the world difficulty**; hence the need to make the meaning of these laws clear, their objectives simple and their potencies understandable.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>129</sup>

“This will necessarily involve a **pledging of the entire personality to the helping of humanity** ... I mean the attaining of an attitude wherein the aspirant desires nothing for the separated self, and in which he regards all that he has as something which he can lay upon the altar of sacrifice for the aiding of his brethren.... [U]nited group effort would eventuate in an inspired reorganization of the entire world, and **the elimination of hindrances**; there would be the making of real sacrifices and the giving up of personal wishes and desires in order **that group purposes may be served**.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>130</sup>

The increasingly forceful influences of the dragon, his spirit realm, and his coming antiChrist will convince a Oneness-seeking humanity to “serve” the “group purposes” by containing, neutralizing, and eliminating all “cancerous,” “separative” hindrances to Oneness. Yet this storm of judgment, which is coming to “swallow up” those who do not choose to become spiritual enough to board humanity’s New Age Ark of Oneness, will be explained away as life’s “immune system” acting in “love” and “service” to “protect” life.

“We will either come together as one, globalized people, or we will disappear as a civilization.” —Paul Hawken<sup>131</sup>

“If we accept that the metaphor of an organism can be applied to humankind, we can imagine a collective movement that would protect, repair, and restore that organism’s capacity to endure when threatened....

“Just as the immune system recognizes self and non-self, the movement identifies what is humane and not humane.... The word **immunity** comes from the Latin *im munis*, **meaning ready to serve**.” —Paul Hawken (Bold added)<sup>132</sup>

“The ultimate purpose of a global **immune** system is to identify what is not life affirming and to **contain, neutralize, or eliminate it**.” —Paul Hawken (Bold added)<sup>133</sup>

“All people and institutions, including commerce, governments, schools, churches, and cities, need to learn from life and reimagine the world from the bottom up, based on first principles of justice and ecology. Ecological restoration is extraordinarily simple: **You remove whatever prevents the system from healing itself**. Social restoration is no different.... **It is time for all that is harmful to leave**.” —Paul Hawken (Bold added)<sup>134</sup>

“Are you not sick, if you deny yourself your wholeness and your health, the Source of help, the Call to healing and the Call to heal?... For healing will be one or not at all, its **oneness being where the healing is**. What could correct for separation but its opposite? There is no middle ground in any aspect of salvation. You accept it wholly or accept it not.” —the seducing spirit calling itself “Jesus,” “The Ark of Safety” (Bold added)<sup>135</sup>

“We have arrived at a moment in our evolution where we have to make a choice.” —Deepak Chopra, in THE SHIFT movie trailer (“the power of oneness” banner behind him)

Humanity is primed and readied for the dragon's coming new world. It is only a matter of time before the choice will be given to either live in service of the group and its New Age false "God" of Oneness or "choose to die" separated in faith and obedience unto the true God. This is a choice that will be mandated much sooner than most would think. Humanity is rushing headlong into Oneness at breakneck speed, and the closer its Ark comes to completion, the more up front and forceful its many builders are becoming. They want *everyone* on board.

"There is a law of sacrifice governing all the evolutionary process." —Alice Bailey<sup>136</sup>

"...much emphasis is laid upon this Law of Sacrifice, '**the Law of those who choose to die.**'" —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>137</sup>

"The Law of Sacrifice means also salvage and underlies all the evolutionary processes and particularly does this emerge into clear significance in the human family. The instinct to betterment, the urge to progress (physical, emotional and intellectual), the effort to ameliorate conditions, the tendency to philanthropy which is so rapidly taking hold of the world, and the sense of responsibility which does make men realize that they are their brother's keeper, are all expressions of this sacrificial instinct....

"This urge to sacrifice, to relinquish this for that, to choose one way or line of conduct and thus sacrifice another way, to lose in order eventually to gain, - such is the underlying story of evolution.... When **this urge to sacrifice** in order to win, gain or salvage that which is deemed desirable is understood, then the whole clue to man's unfoldment will stand revealed.... What it really connotes is **the emergence of that which is most divine in man....**

"[T]his urge to salvage and to sacrifice in order to redeem works out in different ways ..."  
—the seducing spirit calling itself Djwhal Khul (Bold added)<sup>138</sup>

In addition to those mentioned earlier, another interesting "coincidence" in all this is that the word "salvage" not only comes from a Latin word meaning "to save" but also includes rescue of *a ship or its cargo from loss at sea*. This "evolutionary" Plan aims to rescue humanity from being "lost" in the feared and hated sea of the separative knowledge of the true God so humanity can be "saved" aboard its "Ark" of Oneness. Those who refuse to be salvaged from the sea will thus "choose to die" and be "swallowed up"—sacrificed for the greater "good" of those seeking the new world.

"The New Age is upon us and we are witnessing the birth pangs of the new culture and the new civilization. That which is old and undesirable **must go** and of these undesirable things, hatred and the spirit of separateness **must** be the first to disappear." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>139</sup>

"This world crisis ... will, it is hoped, awaken men to the realization that the form side of manifestation, with its aggressive selfishness, its cruel emphases and its **separative tendencies**, carries inevitably with it the seeds of **its own eventual elimination** ... [T]he whole aim of the present crisis is **to shift the focus** of human awareness out of the form and the material aspect of living, **into the consciousness of the soul**, and to do this **at any cost to the hindering forms.**" —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>140</sup>

"The laws and modes of procedure which are characteristic of the New Age must supersede the old, and these will, in time, institute the new social order and the more inclusive **regime....**

"[T]he **objective of the new social order, of the new politics and the new religion is to bring about the unfoldment of the human consciousness**, to institute and bring to men's attention the higher values, and to end the reign of materialism." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>141</sup>

"A belief in human unity **must** be endorsed. This unity **must** be grasped as something worth

fighting and dying for; it **must** constitute the new foundation for all our political, religious and social reorganization and **must** provide the theme for our educational systems. Human unity, human understanding, human relationships, human fair play and the essential oneness of all men - these are the **only** concepts upon which to construct the new world ...” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>142</sup>

“And so, there will be chaos, created largely by those who do not want to make the shift, who cannot accept the end of ‘better’ and The New Gospel of Oneness.” —the seducing spirit calling itself “God”<sup>143</sup>

“Everyone fanatically clinging to an idea isolating him from the universal axiom—“There is no Religion higher than Truth”—will find himself separated like a rotten plank from the new ark called Humanity. Tossed by the waves, chased by the winds, buffeted by this element so terrible because unknown, he will soon find himself swallowed up.” —Helena Blavatsky<sup>144</sup>

*“We’re going round the bend into new world comin’ through.*

*Keep your mind on it; shine your light on it.*

*Don’t give up on it, cause you know you want it, too.*

*I’m talkin’ about the new world.*

*I’m talkin’ about the new world; new world comin’ through....”* —Lyrics sung at the end of THE SHIFT movie’s trailer

While these lyrics are being sung, the following lines appear:

“THE SHIFT”

“IT’S HAPPENING”

“WHAT ARE YOU GOING TO DO?”

“JOIN THE MOVEMENT”

This new world (New Age) of Oneness is rapidly emerging, and with purposeful concerted effort today’s Christianity is already being driven into *shifting its faith* and *joining this movement*. What are you going to do? What are you doing *now*?

When face to face with the advancing interfaith forces of Oneness, are you going to stand firm in the faith of the true God and His Son the Lord Jesus Christ *no matter what the cost*? Are you going to remain faithful and willingly endure persecution, like the apostle Paul and other true Christians who “*hazarded their lives for the name of our Lord Jesus Christ*” (Acts 15:26)? Are you, too, going to be able to say, “I have fought a good fight, I have finished my course, *I have kept the faith*” (2 Timothy 4:7)?

Or are you not into contending for the faith, suffering persecution, and counting the cost of being a true follower of the Lord Jesus Christ? Are you instead going to cast aside the sword of the Spirit—the Word of God—and wave the white flag of surrender, as a growing number in today’s Christianity, which includes teachers, pastors, and leaders, are already doing?

### **Choosing This Day Whom They Will Serve**

“Go, therefore, and teach ye all nations, spreading far and wide *The New Gospel*:

“WE ARE ALL ONE.

“OURS IS NOT A BETTER WAY, OURS IS MERELY ANOTHER WAY.

“Speak it not only from your pulpits, but from the halls of your governments as well; not only in your churches, but in your schools; not only through your collective conscience, but through your collective economies.” —the seducing spirit calling itself “God”<sup>145</sup>

“Again I say: *put an End to Better*. For this is The New Gospel: ... There is no one true religion.... or one and only way to Heaven.” —the seducing spirit calling itself “God”<sup>146</sup>

“When we believe in our heart that We Are All One, everything will change. *Everything*.”  
—Neale Donald Walsch<sup>147</sup>

Indeed, everything is already changing. Underlying the many facets of the shift to the new world is an ideological foundation of anti-truth, anti-God, anti-Christ *beliefs*. This shift is spreading far and wide because the serpent’s spirit realm is achieving a great deal of success in seducing humanity into believing in its New Age Oneness—the spirit realm’s literal *doctrine of devils*. And in lieu of teaching the *doctrine of Christ*, which is the only true Gospel and includes the Lord Jesus Christ’s command that “*repentance and remission of sins should be preached in his name among all nations*” (Luke 24:47), the spirit realm’s interfaith *New Gospel* of Oneness is indeed being taught to the nations, with the help of today’s Christianity no less.

*“I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed. For do I now persuade men, or God? or do I seek to please men? for if I yet pleased men, I should not be the servant of Christ.” (Galatians 1:6-10)*

Shifting their hope to “world peace” through “religious peace”—i.e., interfaith unity—many in today’s Christianity are trampling the Word of God in their mad dash to see who can wave the white flag of surrender to Oneness with the most “courage.” No god on earth is betrayed more by its followers than the living true God is betrayed by those who claim to be following Him. His armor-shedding “followers” are passionately shifting their allegiance to the counterfeit “One God” of many religions, paths, names, and theologies/doctrines, while trying to convince themselves and others that their new allegiance to this *false* “One God” is nothing more than just different “concepts,” “understandings,” “interpretations,” “experiences,” and “worship styles” of the *true* God.

One of the latest of *many* tremblers in this foundational shift in the faith and devotion of today’s Christianity is the coming together of hundreds of Christian and Islamic religious leaders and scholars to love “the One God,” whom Muslims believe to be their god Allah. On October 13, 2007, 138 Islamic religious leaders and scholars issued a message “to the leaders of all the world’s churches, and indeed to all Christians everywhere,” “to declare the common ground between Christianity and Islam.”<sup>148</sup> In their message, “A Common Word Between Us And You,” they declare the common ground between the two religions, as well as the basis of the world’s future, to be “love of the One God, and love of the neighbour.”<sup>149</sup> The Yale Center for Faith & Culture eagerly responded with their own similar message, “Loving God and Neighbor Together: A Christian Response to ‘A Common Word Between Us and You.’”<sup>150</sup> There are so many things that oppose truth, God, and the Lord Jesus Christ in this whole thing that an entire paper or book could be written addressing just this one trembler.

Indeed, a book has already been written that addresses this. It’s the *Word of God*. Yet too many people today are too busy surrendering to Oneness so they can get “safe” passage aboard humanity’s Ark of “peace” to have much time for the true God and His Word.

This *anything but Christian* Response has already been signed by well over 300 people, which includes popular and well-known leaders and pastors from “conservative” evangelicalism to the Emerging Church movement, as well as professors, deans, and presidents of seminaries and colleges, not to mention leaders and representatives from ministries and organizations, etcetera. Over 100 of these signatories were included when this Response became a full-page Ad in the *New York Times*

on November 18, 2007.<sup>151</sup> The complete list of casualties in this spiritual battle can be viewed on the website of the Yale Center for Faith & Culture.<sup>152</sup> This list will most likely continue to grow since anyone can still sign on to this online message, and the armor of God is irrelevant for those whose goal is “courageous” surrender to Oneness. The multiple stomach-turning and soul-wrenching blasphemies dressed up in “Christianized” rhetoric will no doubt go undiscerned by many more people who also choose to sign on to this anti-truth, anti-God, anti-Christ message.<sup>153</sup>

Although it is a tremendous understatement, the 138 Islamic religious leaders and scholars even admit in their message:

“Muslims recognize Jesus Christ as the Messiah, **not in the same way Christians do ...**”  
(Bold added)<sup>154</sup>

Of course not. No other religion recognizes the *truth* of Who *the Lord Jesus Christ* is, and Islam is no exception. The only way that Christians and Muslims could *love God together* is if we had *the same God*. And the only way that Christians and Muslims, and other religions for that matter, could have the same God is if professing Christians *completely denied God, the Lord Jesus Christ, and the Word of God*—but then they wouldn’t be followers of the true God; nor would they be true Christians. Muslims do not believe that Jesus Christ is *the Son of God* because to them this is blasphemy against their god Allah who has “*no son.*” Muslims do not believe that Jesus Christ is *Lord* because to them this is blasphemy against their god Allah *who alone is “Lord.”* Muslims do not believe that Jesus Christ is *God* because to them this is polytheism and blasphemy against their god Allah *who alone is “God.”* There is no “Loving God and Neighbor Together” for Muslims and Christians!

Signing on to “Loving God and Neighbor Together” is a denial of God, the Lord Jesus Christ, and the Word of God. Yet this didn’t stop the hundreds of pastors, leaders, and others from idolatrously and blasphemously declaring that Christians and Muslims have a “common love for God.” Since when is denying the truth and nature of God and His Son “*love for God*”?! But then, in the Emerging One Church of the counterfeit One “God”—“it is relatively unimportant what we mean in detail by that little word of three letters,” and it is “irrelevant” if people don’t *believe* in Jesus Christ since He has been reduced to an *optional* “symbol” of God, remember? Thus, in this New Spirituality:

“Of course, no one seriously suggests that the Bible is to be taken literally.” —Neale Donald Walsch<sup>155</sup>

“...God and Allah and all the other names that we have for That Which Is Divine are the same thing, and that This One Divine Being loves all of us ... All religions are individual paths to paradise, and each path will take us there.” —Neale Donald Walsch<sup>156</sup>

“*To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.*” (Isaiah 8:20)

In today’s professing Christianity, many who claim to be followers of Christ are increasingly indifferent to the eternally-different theologies between the Christian faith and the world’s religions. Believing that God said what He meant and meant what He said in His Word of truth is a hindrance to the coveted interfaith unity of the Emerging One Church. On the other hand, this interfaith unity is facilitated when Christ-followers instead choose to believe that Christ is not bound to the “religious dogmas” of Christianity; that people can follow Christ in any religious framework of their choosing; that people’s *experiences* not their *beliefs* are what matters, so to follow Christ it doesn’t matter what people believe about Jesus or if they even know about Him; that we need positive *interfaith* dialogue to help build connections between our different “*experiences*” of God and Christ; that Christianity’s community must be enlarged to include those in *other religions* whose “conceptions of God” (theologies) are *different* from the Christian faith; and so on and so forth [see examples of teachings listed earlier on page 8].

*Everything is changing* as more and more people exchange the Lord Jesus Christ’s Gospel for the

spirit realm's New Gospel of Oneness. In their search for "common ground" with the world's religions, many professing followers of Christ are turning into 21<sup>st</sup>-century Judases. They are quick to betray the Lord Jesus Christ and their souls in their pursuit of "peace" with the world.

**"The future of the world** depends on peace between Muslims and Christians.

"The basis for this peace and understanding already exists. It is part of the very foundational principles of both faiths: love of **the One God**, and love of the neighbour."

"[W]e say that **our very eternal souls are all also at stake** if we fail to sincerely make every effort to make peace and come together in harmony....

"So let our differences not cause **hatred** and strife between us. Let us vie with each other only in righteousness and good works. Let us respect each other, be fair, just and kind to another and live in sincere peace, harmony and **mutual goodwill**."—Islamic religious leaders and scholars "to all Christians everywhere" (Bold added)<sup>157</sup>

"We most heartily agree. Abandoning all '**hatred** and strife,' we must engage in **interfaith dialogue** as those who seek each other's good, for **the one God** unceasingly seeks our good. Indeed, together with you we believe that we need to move beyond 'a polite ecumenical dialogue between selected religious leaders' and work diligently together to reshape relations between our communities and our nations so that they genuinely reflect **our common love for God** and for one another....

**"The future of the world** depends on our ability as Christians and Muslims to live together in peace. If we fail to make every effort to make peace and come together in harmony you correctly remind us that '**our eternal souls' are at stake** as well....

"[W]e commit ourselves to labor together in heart, soul, mind and strength for the objectives you so appropriately propose." —the "Christian Response" to the Islamic leaders (Bold added)<sup>158</sup>

The Word of God says that we are to love *the Lord God Himself* with all of our heart, soul, mind, and strength. *Nowhere* does God say in His Word that we are to labor together in heart, soul, mind and strength for *interfaith* objectives that *inappropriately* propose the love of a *false* "God" and *deny* the nature and truth of the one and only Mediator between God and men, Who *alone* gives us *righteousness*! Yet the hundreds of signatories are committing their "heart, soul, mind and strength" for these very objectives, which seek no one's *good*. Peace with God is being exchanged for peace with the world.

"There is today in the world a very large number of those who fundamentally believe in the brotherhood of religions. Though the unintelligent masses everywhere have little or no idea of things spiritual, **they can be more easily brought to believe in the one God and to the idea of a universal faith than to any other idea**....

"Soon we shall have the inner structure of a world-faith so clearly defined in the minds of many thousands ..." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>159</sup>

"To **hate**, to be **separate**, and to be **exclusive** will come to be regarded as **the only sin** ..." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>160</sup>

"We are concerned with only one subject, the ushering in of the new world order.... We are occupied with the formation of that new party which will gather into its ranks **all men of peace and good will** ... This new party can be regarded as the embodiment of the emerging Kingdom of God on earth, but it should be remembered that this kingdom is not a Christian kingdom ... It is a grouping of all those who - belonging as they do to every world religion ... - are **free from the spirit of hatred and separativeness, and who seek to see right conditions established on earth through mutual good will**." —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>161</sup>

“We applaud when you state that ‘justice and freedom of religion are a crucial part’ of the love of neighbor. When justice is lacking, neither love of God nor love of the neighbor can be present. **When freedom to worship God according to one’s conscience is curtailed**, God is dishonored, the neighbor **oppressed**, and neither God nor neighbor is loved.” —the “Christian Response” to the Islamic leaders (Bold added)<sup>162</sup>

**“The New Spirituality is a civil rights movement for the soul, freeing humanity at last from the oppression of its belief in a separate, angry, violent, and fearful God....**

“A New Spirituality truly is emerging upon the earth, and the idea of Oneness is at its core.”  
—Neale Donald Walsch (Bold added)<sup>163</sup>

Giving heed to seducing spirits, people are flocking to the Emerging One Church (New Spirituality) and its counterfeit “One God” of different names and religions that is worshipped “according to one’s conscience”—i.e., one’s own relativistic way and understanding—rather than according to *spirit and truth* as is required by the *true* God.

“... *If therefore the light that is in thee be darkness, how great is that darkness!*” (Matthew 6:23)

All gods look the same in the dark. And for those who prefer the relativism of this New Spirituality to the light of God’s truth, it also becomes *irrelevant* if the true God has one Son and the Muslim’s god has *no son*. Besides, every first grader knows that  $1 = 0$ , right? Using fuzzy theology in the dark to achieve “religious peace” (interfaith unity), humanity merely relativistically, not to mention idolatrously and blasphemously, *rethinks* the Christian true God and the Muslim god—or any other religion’s god—into “the one God.”

*“The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light.”* (Romans 13:12)

Claiming to seek each other’s “good,” professing Christians are helping the world’s truth-rejecting, darkness-loving humanity realize its goal of “bringing to our world at last an individualized experience of the Divine in a unified form that **makes no one wrong for the way in which they are approaching the God of their understanding.**”<sup>164</sup>

If Elijah’s showdown with the prophets of Baal was held today, the Oneness seekers in today’s Christianity would mount an open rebellion against the true God and His prophet Elijah. They would defend the prophets and followers of Baal and defiantly declare that it is “religious oppression” and “hatred” to claim that the followers of Baal are not followers of the true God. After all, they openly claim this about the followers of Allah and of other gods in the world’s religions today, so why would the followers of Baal be any different? Why not bring Molech into this as well and defend the abomination of passing the children of this god’s followers through the fire as just another way to “approach” or “worship” “God”? Think this is too extreme? Yet *this is exactly what Oneness does!*

At its core, Oneness excludes *no god* from its “One God.” In Oneness, “There is **no Religion** higher than Truth,” which relativistically transforms **all gods** into “**the same God.**” In Oneness, “**every man should be free to worship God in his own way,**”<sup>165</sup>—that is, according to what is right in his own eyes—so *there is no wrong “worship style” or “experience” or “understanding” of “God” in Oneness.* To believe otherwise is regarded as the “pride,” “hatred,” “tribalism,” religious “bigotry” and “oppression” of “the way of separation.”

“Relinquish the pride of mind which sees its way and its interpretations to be correct and true, **and others’ false and wrong.** This is the way of separation. Adhere to the way of integration which is of **the soul** and not of the mind.” —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>166</sup>

This *New Age* ideology that is transforming the world is also transforming today’s Christianity, as more

and more of its teachers, pastors, and leaders are becoming unwilling to admit that it is an *enemy of souls*. Rather, they, along with the leaders and activists of the world, are willing to stealthily, and even openly, befriend the New Age ideology in order to try to save the world from “doom” and bring “peace on earth” *through the unity in diversity of Oneness*.

As a result, their followers are inevitably shifting their faith *away from* the true Christian faith and blindly placing their faith and hope in humanity and its false “God” of Oneness. Working right alongside the world in “the unity and the fellowship of the spirit,” today’s armor-shedding “Christianity” is joining the interfaith work of *building the kingdom of the wrong “God”* and facilitating the global SHIFT into the new world and its Emerging One Church.

Many are making “the shift.”

“The shift will not mean the end of that which makes you different, but only the end of that which makes you divided....

[T]here are no *divisions* between black and white, male and female, **Christian and Muslim**. These are merely **different versions of the same thing**.

**“When you see this, then you, too, will have made the shift.”** —the seducing spirit calling itself “God” (Bold added)<sup>167</sup>

It isn’t a matter of different *names* and *understandings* of God, it is a matter of different *gods*. That which divides Christians from Muslims—as well as from followers of other religions—is the God we believe in. True Christians follow the true and living God. Followers of Islam and other religions follow false gods. Whether or not people are offended by this couldn’t be more irrelevant. *We do not have the right to deny the true God for the sake of helping people feel good on their idolatrous path to hell*. This is neither “love of God” nor “love of neighbor”!

“Look unto **me**, and be ye saved, all the ends of the earth: for I am God, and **there is none else**.” (Isaiah 45:22)

“Remember the former things of old: for I am God, and there is none else; I am God, and there is **none** like me.” (Isaiah 46:9)

“For **all** the gods of the nations are **idols**: but the LORD made the heavens.” (Psalm 96:5)

The names of the gods in the world’s religions are no more just different names for the true God than Baal and Molech are just different names for Him. In His Word, the true God is crystal clear on the subject. Yet the Oneness-seeking masses obviously believe they know more than the true God does. They are deliberately casting aside the truth (theology/doctrine) of God’s Word. Preferring unity at all costs, they are covering their eyes and ears to prevent an accidental overexposure to the truth, which they know is lethal to Oneness.

“The search for **a new narrative** that unites us and takes us to the dawn of a new civilization is a fundamental driving force at these crossroads of humanity.” —Deepak Chopra (Bold added)<sup>168</sup>

Whether it’s the SHIFT of the movie, or the shift of today’s professing Christianity, or the movement described by Paul Hawken, it’s all the same shift. From the New Age to today’s Christianity, those who desire the new world of Oneness are “being led away with the error of the wicked.” They are being guided and influenced into the same way of thinking that is incrementally leading them all into submission and acquiescence to the spirit realm’s Plan. Are you one of them?

“We are training men and women everywhere so that they can be sensitive to the Plan ...” —the seducing spirit calling itself Djwhal Khul<sup>169</sup>

“The method of the Hierarchy [spirit realm] is to work through individuals and through groups for the production of such a widespread spiritual recognition that men everywhere

will accept as factual the inner government of the planet, and will work together for the founding of the Kingdom of God in objective manifestation on Earth - and not in some distant time and some vague heaven....

“The Masters [spirit realm] are working according to Plan - a Plan which is founded in the past history of the race and can there be traced ...” —the seducing spirit calling itself Djwhal Khul<sup>170</sup>

*“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.” (1 Peter 5:8)*

**“The planetary Hierarchy [spirit realm] ... seeks to evoke a response to that Plan in every human heart, and by fostering and fanning that response, to evoke not only a mental understanding but also an aspirational desire. These together will produce finally the emergence of the Plan upon the earth and thus express a conditioning factor in human affairs.”** —the seducing spirit calling itself Djwhal Khul (Bold added)<sup>171</sup>

“The world today is going through a preparation period and an interlude of adjustment to the new world and the new order coming into being....

“The Plan, as I have outlined it to you in the past, was but a skeleton outline and simply an underlying basic structure. It was the steel scaffolding of the new world-to-be ...” —the seducing spirit calling itself Djwhal Khul<sup>172</sup>

Incidentally, Neale Donald Walsch—chosen by the seducing spirit calling itself “God” to be a spokesman of this spirit realm’s New Spirituality and New Gospel of Oneness teachings which are inseparable from this spirit realm’s Plan—is preparing a new campaign to even further facilitate the emergence of the new world of Oneness. His website under construction says:

“THE WORLD ONENESS CAMPAIGN is coming soon, bringing humanity a new primary organizing principle: WE ARE ALL ONE. These 4 words can change the world.”<sup>173</sup>

Understatement of the millennium. Those who desire world Oneness have no idea what’s coming.

The spirit realm is cunningly and masterfully luring today’s humanity into following after its false “God,” its false “Christ,” its false “kingdom of God,” and its false “hope” of its false “peace” through its false “Oneness.” Even though the *true* God decreed *Himself* that His Son the Lord Jesus Christ is the *only* way to God, and even though the Lord Jesus Christ is the *only* true hope of the world, and even though spiritual Oneness *openly* stands *against* the Lord Jesus Christ, *incredibly*, this Luciferian New Age Plan of Oneness is becoming *the sought-after “hope”* both of the world *and* today’s “Christianity”!

The new world and its Emerging One Church (one universal faith in “God” and in humanity) are emerging so rapidly now that it is simply too difficult, if not outright impossible, to keep up with the massive global shift taking place in both the world and today’s professing Christianity.

“How could something so important as this movement grow so much and be largely unseen? Describing the breadth of the movement is like trying to hold the ocean in your hand. It is that large. When an iceberg rises above the waterline, the massive ice beneath is unseen.”  
—Paul Hawken<sup>174</sup>

As more and more people seek to rise above the hated and feared waterline of God’s truth, this massive shift will become increasingly visible until the new world of Oneness reaches full emergence.

This “largest movement in the history of the world” will soon have its globally-unifying leader. With his enticing tune of peace, this coming Pied Piper will gather the spiritually-readied masses and lead them on board the Ark of Oneness, the ultimate forbidden fruit.

*“My son, fear thou the LORD and the king: and meddle not with them that are given to change: for their calamity shall rise suddenly; and who knoweth the ruin of them both?”*

*(Proverbs 24:21-22)*

If you heedlessly dismiss any and all warnings, you do so at the peril of your own soul. There is only one *true* God, and the shift is *away from* the true God, *not* toward Him.

God is not the one shifting and changing and transforming. Despite humanity's preferred fuzzy theology in this global "spiritual awakening," the nature of the true God is eternal and unchanging. What humanity chooses to believe about the counterfeit "One God" in its shifting, changing, transforming faith cannot create even *the slightest smidgen of change* in Who the true God really is. No matter how strongly humanity chooses to believe that the counterfeit "One God" of different religions, paths, names, and theologies is really the true God, humanity will still be believing in a counterfeit "God"—*a false god and idol*—that has zero chance of ever becoming the *true* God.

The counterfeit bride of the counterfeit "God" of Oneness is making herself spiritually ready. The brief honeymoon aboard the condemned Ark of Oneness is drawing near.

One can't even begin to imagine the tremendous grief of the loving Lord God Who is not willing that any should perish. Yet His righteous judgment and justice are as sure as His love, which humanity is purposefully rejecting.

*"And Elijah came unto all the people, and said, **How long halt ye between two opinions?** if the LORD be God, follow him: but if Baal, then follow him. And the people answered him not a word."* (1 Kings 18:21)

*"**And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve;** whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD."* (Joshua 24:15)

*"For **all the gods of the people are idols:** but the LORD made the heavens."* (1 Chronicles 16:26)

*"Know therefore this day, and consider it in thine heart, that the LORD he is God in heaven above, and upon the earth beneath: **there is none else.**"* (Deuteronomy 4:39)

*"**This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.**"* (John 17:3)

*"Take heed, brethren, lest there be in any of you an evil heart of unbelief, in **departing from the living God.**"* (Hebrews 3:12)

The listeners of Oprah & Friends who participate in this spiritual "retraining" of the mind, will be "retrained" right into the spiritual shift to Oneness. The Circle of Atonement website, which posts the *New Age Course in Miracles* online, states: "*A Course in Miracles* is a spiritual path. It[s] purpose is to train us to accept and extend the shifts in perception that awaken us to God." (<http://www.circleofa.org/articles/WhatIsAcim.php>.) This spiritual awakening/shift is to the increasingly popular New Age "God" of Oneness.]

153. [Note: In less than 2 weeks, an additional 200+ people also chose to sign on to this message. The new total is over 600 names, with a significant number being *pastors* of churches from various denominations. The favorable response to this idolatrous blasphemy has been so "overwhelming" that the Yale Center has posted the comment (see *ibid.*), "We regret that due to the overwhelming response, we have not been able to include all people who wrote asking to be added to the list." A true sign of the times.]
